In its second year, Canyon High School moved onto its 5.4 million dollar plant on the Imperial Highway and established itself as a leading educational institution in Orange County. Young people and adults worked together in a spirit of enthusiasm and comradery to meet worthwhile social and educational objectives.

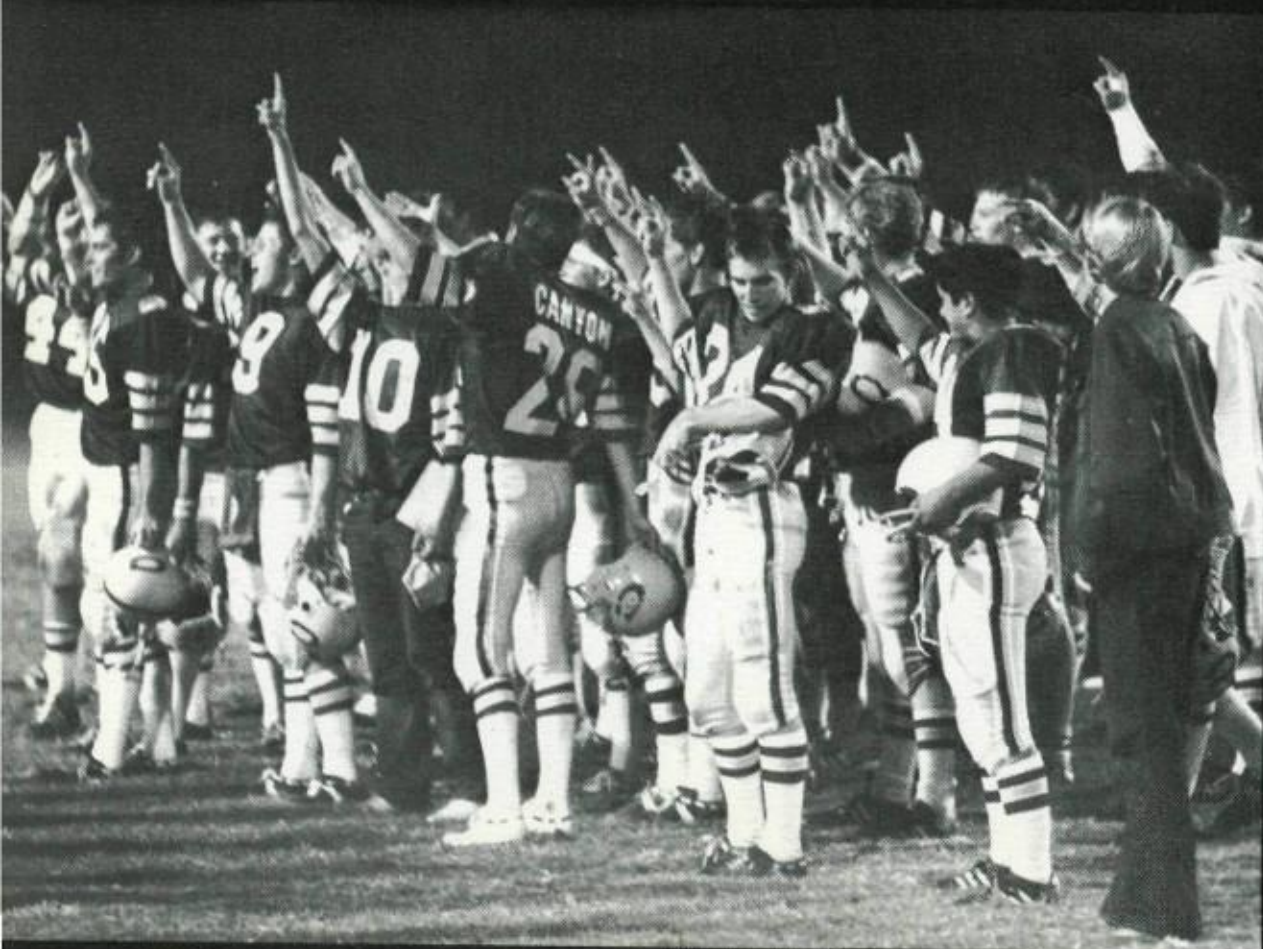

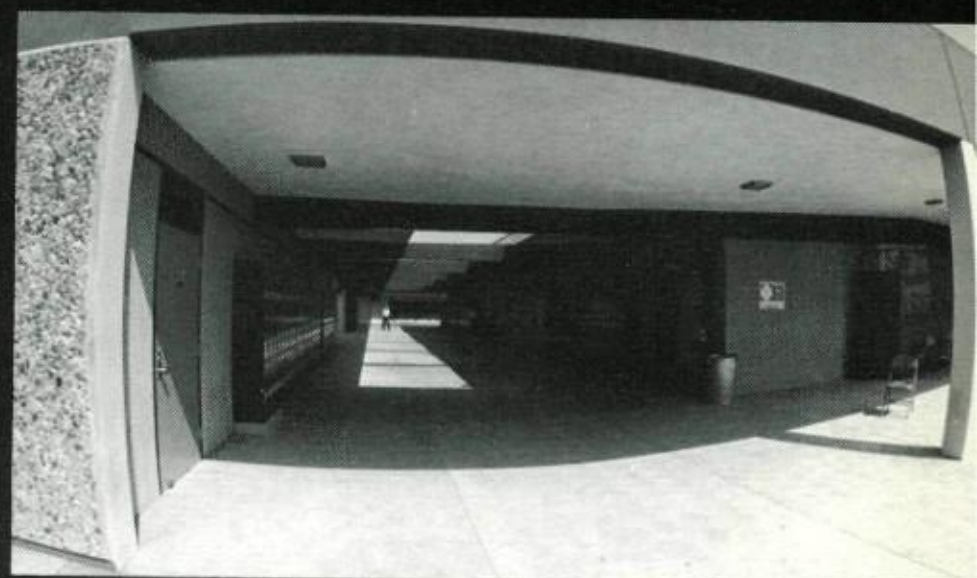

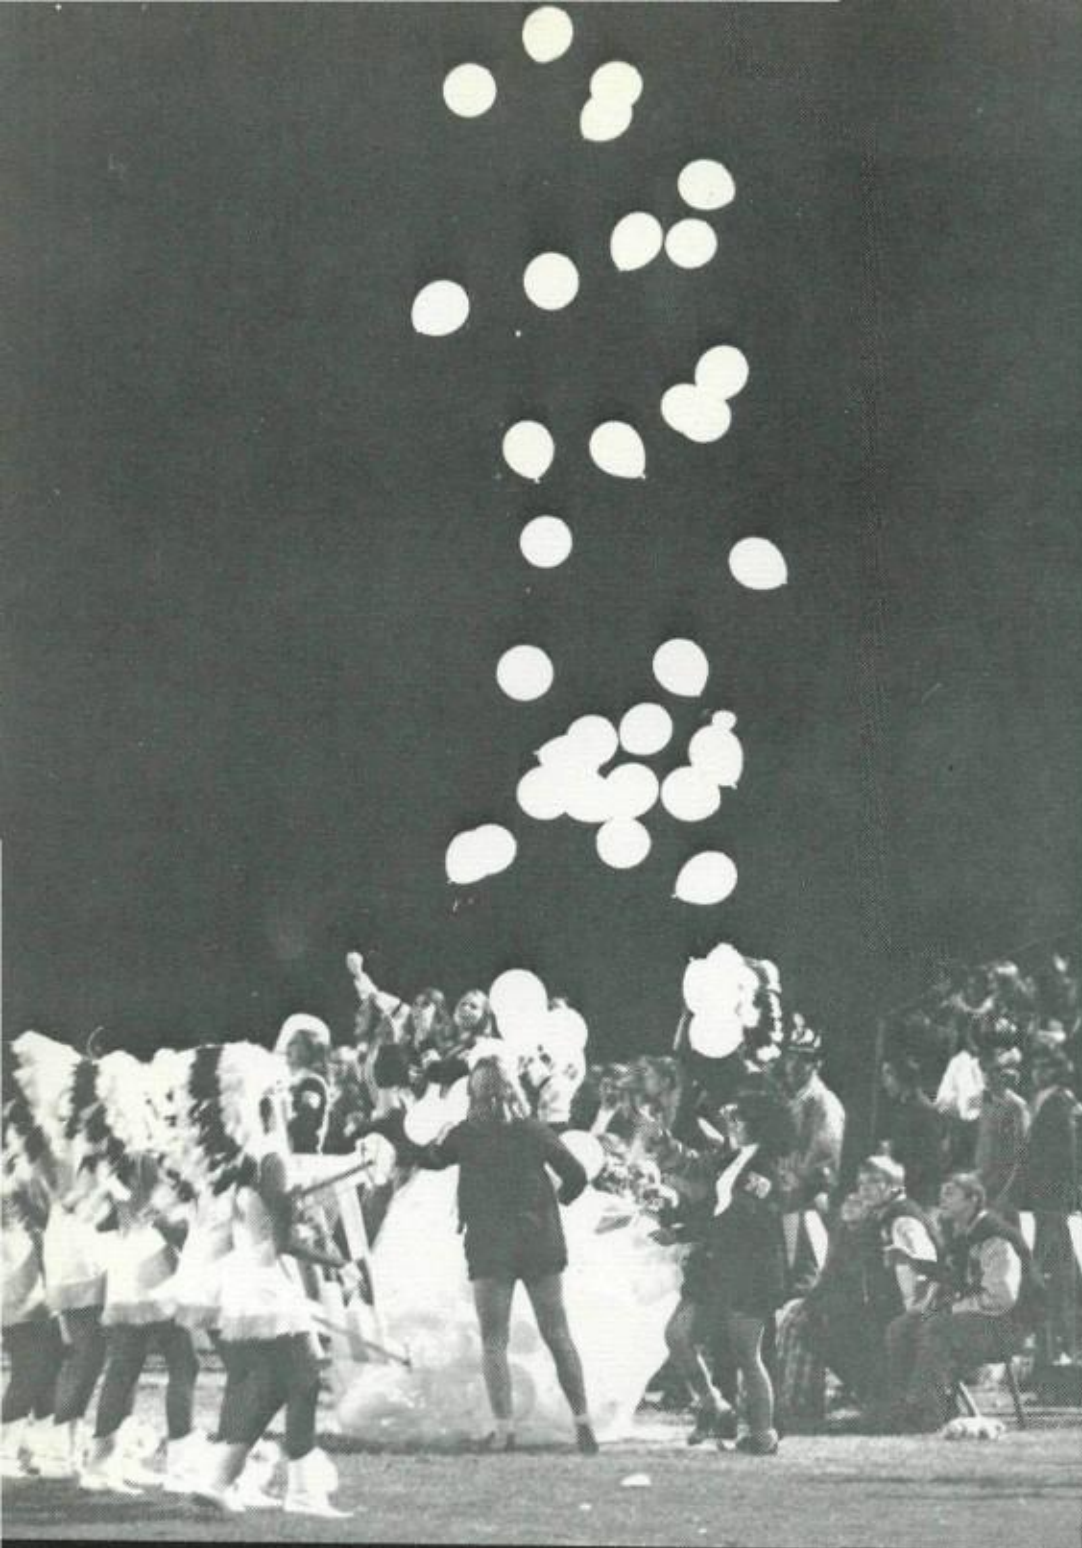

This report contains the highlights of Canyon's eventful second year; it also serves as a tribute to those who hold stock in the Canyon Corporation: the community members, the staff, and, most importantly, the students.

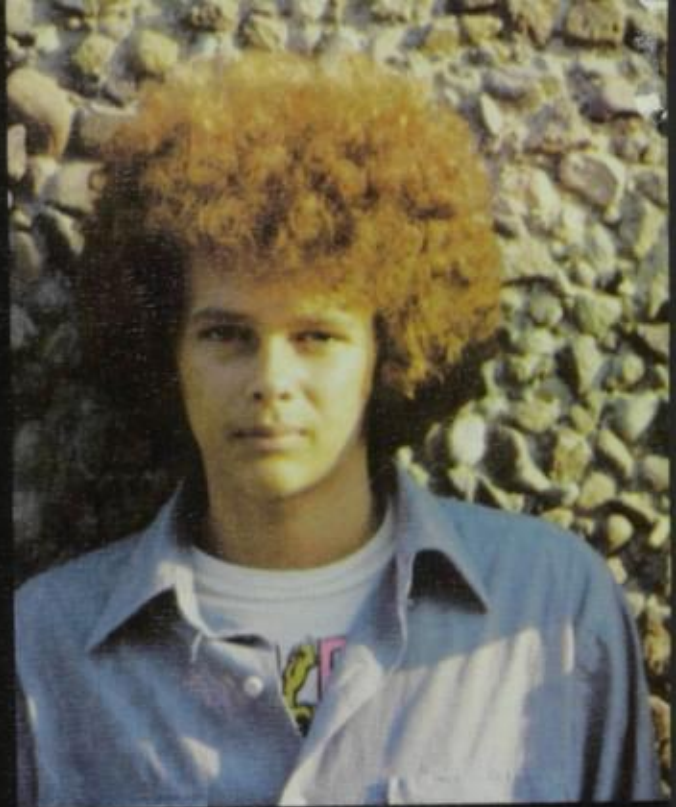

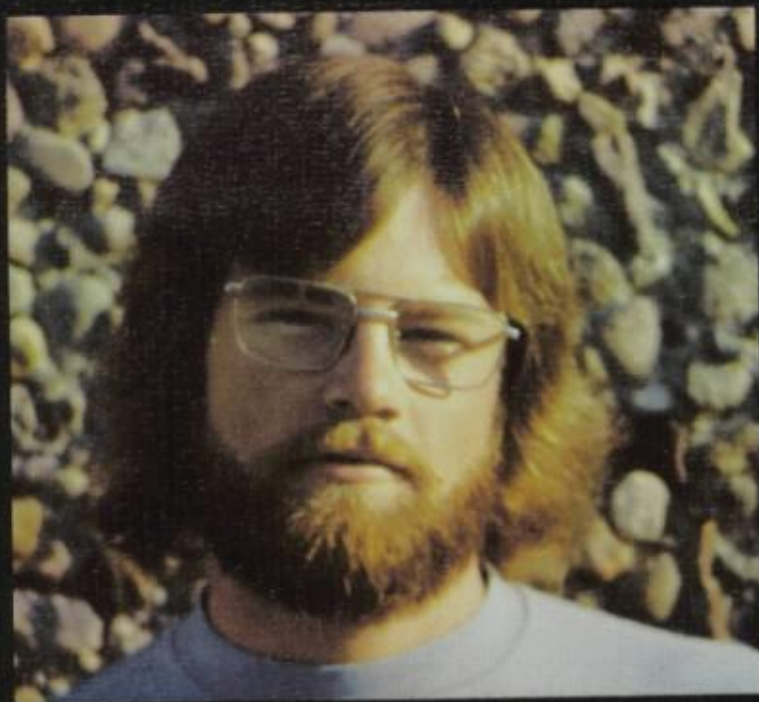

Far-out and Funky

Nostalgia '75: the "Gatsby Look" brought us dark red fingernails and longer skirts. Girls and guys wore high-rise pants that covered one-to-six inch platform shoes. Clothes were layered, and accessories abounded: jewelry (turquoise for the rich, macrame and clay for the not so rich); big, floppy hats; neck scarves; and wire-rimmed or mirror glasses. David Bowie inspired glitter that appeared on everything from shoes to eyelids.

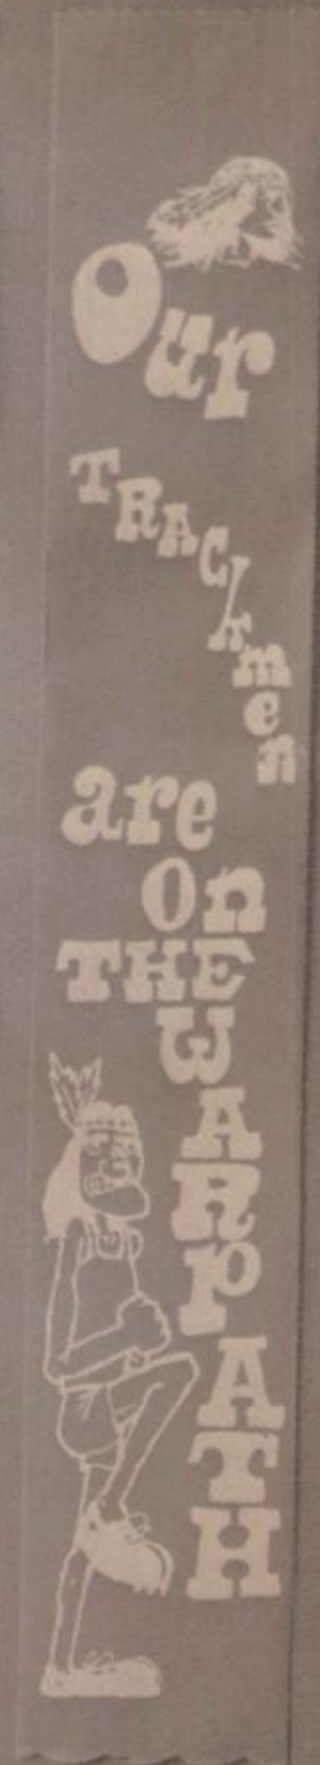

For conservative guys, levis and Wallabies were the standard uniform, with a T-shirt, western, or Hawaiian shirt on top. With the easing of school dress restrictions came beards on the guys and foxy halter tops on the girls.

Audio fads included listening to FM radio stations like KLOS and KMET with artists such as Emerson, Lake, and Palmer; Elton John; Bad Co., and Crosby, Stills, Nash, and Young on top. We bombarded each other with expletives: righteous, mellow, unreal, far-out, spaced out, bad, raspy, for sure, munch out, it's cool, wasted, O.D.'d and all right!

As the energy crisis grew, small economy cars and trucks became popular. Not only were the kids looking after their budgets, but they were looking after themselves, too: more organic foods were consumed than ever before, and the natural haircuts, including a variety of shags, were worn by both chicks and dudes.

We've Got Spirit!

Students generally agree that spirit increased 100% in Canyon's second year. Much credit for this fact goes to this year's Pep Squad and Benchwarmers. These girls gave all they've got to promote spirit at the pep rallies and games, as you will see on these four pages.

Spirit Week: Juniors Shine

Spirit Week started with Faculty Spirit Day on Tuesday followed by a fantastic show from the sophomores on Wednesday. But it was the juniors and their "Spirit of '76" who won spirit week. The seniors, however, outdid themselves by placing an everlasting "75" on the hills above Canyon High School and by dressing as "Senior Citizens". The campus was a mess by the end of the week, proof of the fun everyone had.

 3. "The British are coming! The British are coming!"
 4. Ms. Fragnoli assists Mr. Weinkauf in stuffing his face in a pie-eating contest on Junior Spirit Day.
 5. Even senior citizens such as Dee Mecke and Tami Mora like to have a good time.

6. Ms. Creedon doesn't seem to be too happy about being kidnapped by Kenny Kline.
 7. Canyon's senior citizens Terry Anderson and Janet Synder stop for a chat.
 8. Senior citizens Lauri Courhan, Sue O'Hare, and Robin Belt comment on the assembly at nutrition provided by the seniors.

President's Message: The State of the School

Dear Students:

The year '74-'75, the first year on Canyon High's campus, was a year full of activities and progress, largely because of the hard work of those students involved in student government.

The main goal of A.S.B. Cabinet was to see Canyon High School landscaped. Cabinet members enlisted the aid of students, faculty and community members to plan numerous fund-raising activities: concerts, a swap meet, and the coupon book sale were foremost among them. The money from these events, coupled with carefully budgeted A.S.B. funds, purchased a sprinkling system and numerous plants and trees.

Sensitive to the needs of students, Cabinet and Student Council dealt with issues other than landscaping: senior privileges, student bulletin boards, orientation for new students, and many new clubs were established in attempt to fill the needs of every student at Canyon. The calendar was full, with diverse assemblies, concerts, rallies, and sporting events breaking up the day-to-day routine of school.

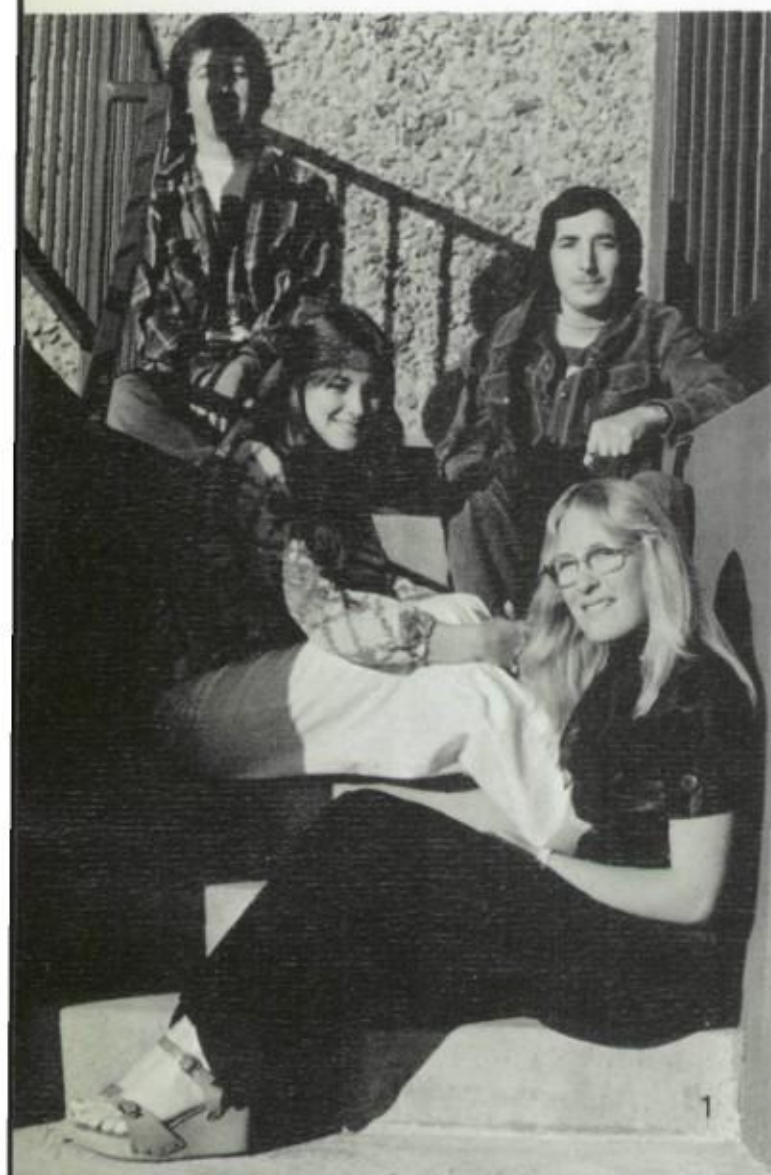

To those who have invested so much in Canyon High School this year: this has been a year which we may be proud of. Our reputation in Orange County has been firmly established, largely thanks to our outstanding athletic teams, drill team and musical groups. The active and spirited junior class and the enormous sophomore class may look forward to an even better year ahead; we seniors will look forward to our first Homecoming.

Sincerely,

Jeff Dunn

Student government agencies include SAC, the Student Advisory Council to the Board of Education, and Student Council. The latter group concentrated primarily on the "greening of Canyon's campus", a movement which was impeded by lack of financial support.

When they weren't studying, California Scholarship Federation members were busy traveling. Among their destinations were the Ahmanson Theater, where the members saw Eugene O'Neill's "Moon for the Misbegotten"; the Balboa Park museums in San Diego; and various local colleges and universities. C.S.F. members also aided the campus landscaping cause by contributing some of the profits from the successful donkey basketball game.

Reading Club members met once a week to talk about books and to discuss ways of promoting reading throughout the school. Members of the group wrote book reviews for the school paper, raised money to buy books for the library, and helped formulate a proposal for a school-wide Reading Break for next year.

Hit Variety Show: "All Our Yesterdays"

Prior to the actual performance of the variety show, four very tiresome weeks of long practices took place. Under the direction of talented Ms. Amy McCue, the show turned out to be a success, drawing full houses for both performances. The entire cast agreed that all the long hours spent putting the variety show together were definitely worth it.

Publications

Happiness is being the Editor-In-Chief of a newspaper whose staff, during the entire first semester, "appeared" to be invisible.

Deadlines that are never met, urgent meetings which are never attended, and page editors that fluctuate from page to page all comprise the delights and dilemmas of the "Smoke Signal" staff.

Despite the obstacles, the Journalism Staff is very dedicated and very hard working. Of course, life would have been a lot easier if I didn't have to scream, "Hey Frag, where's the front page?" "Oh Cheryl, your dummy sheet is beautiful," and "Erin, don't be so organized!" They made my job a lot easier with their hard work and dedication.

Here's hoping that all your Singals are Smoke!

Elaine Litner

5. Don Poer, hoping to find the right pictures, glances over proof sheets.

6. Lori Pivo and Tracy Sullivan work hard on indexing the pages.

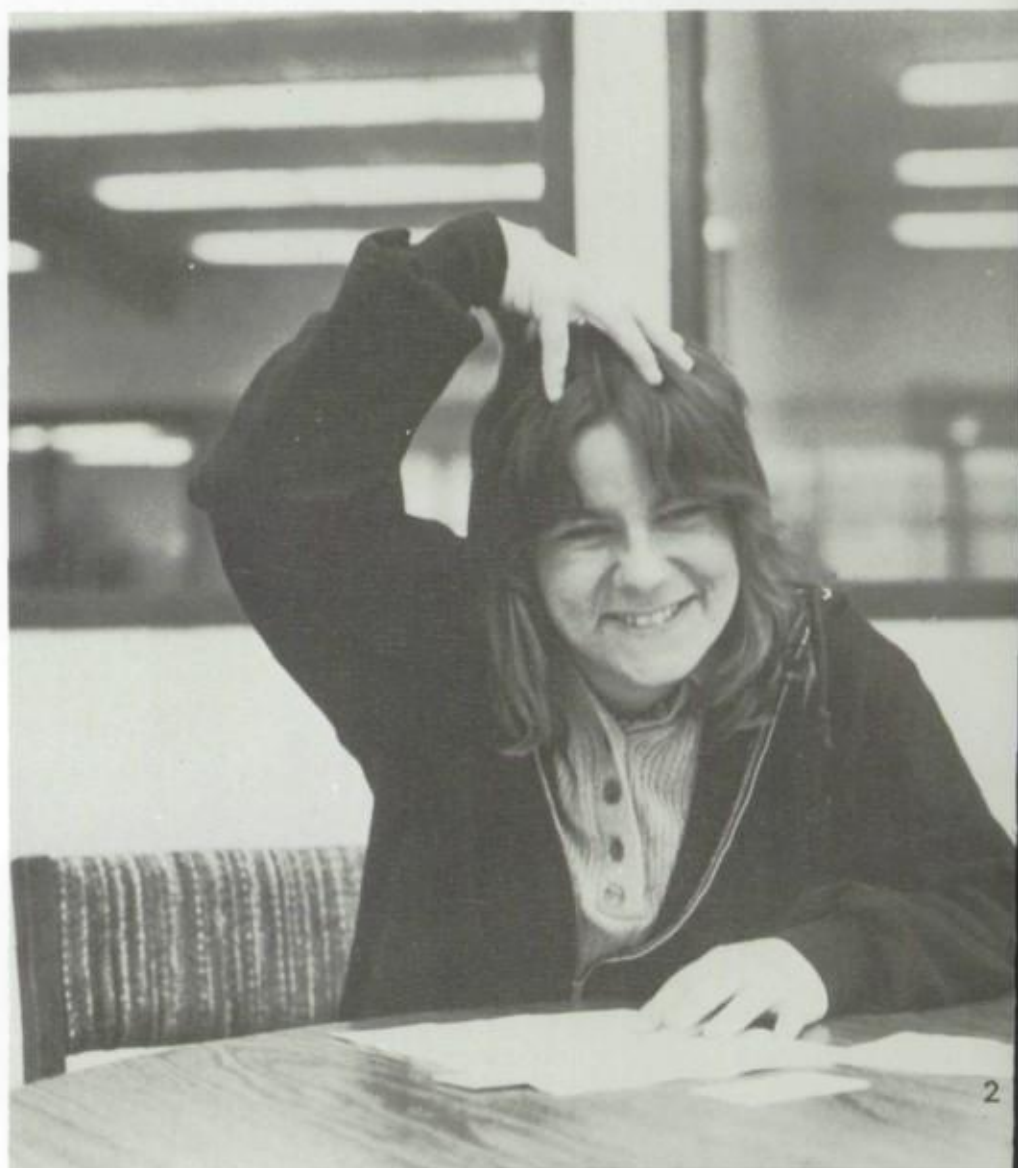

The LEGEND 1975:

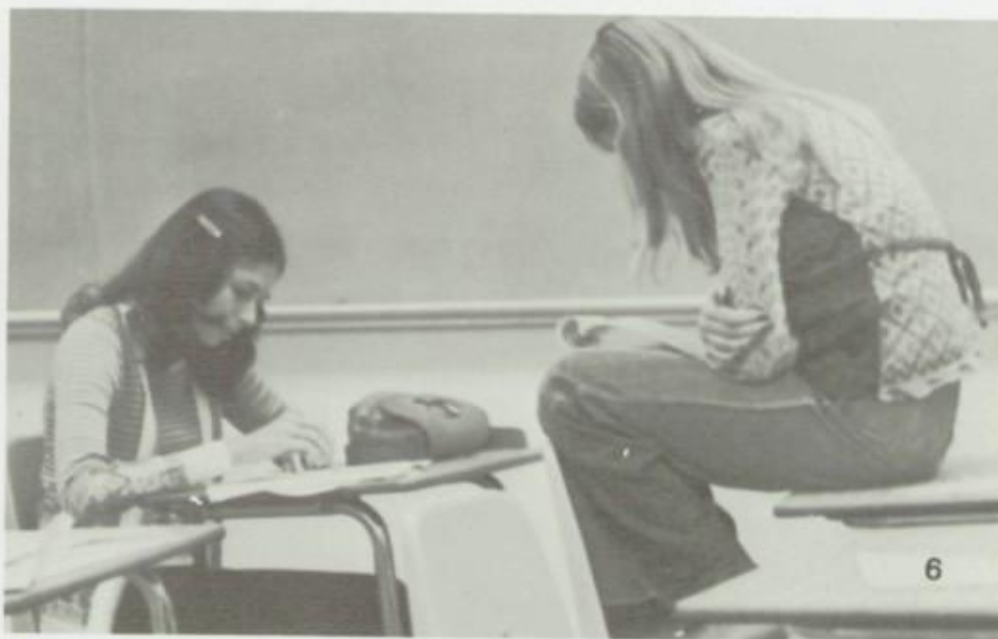

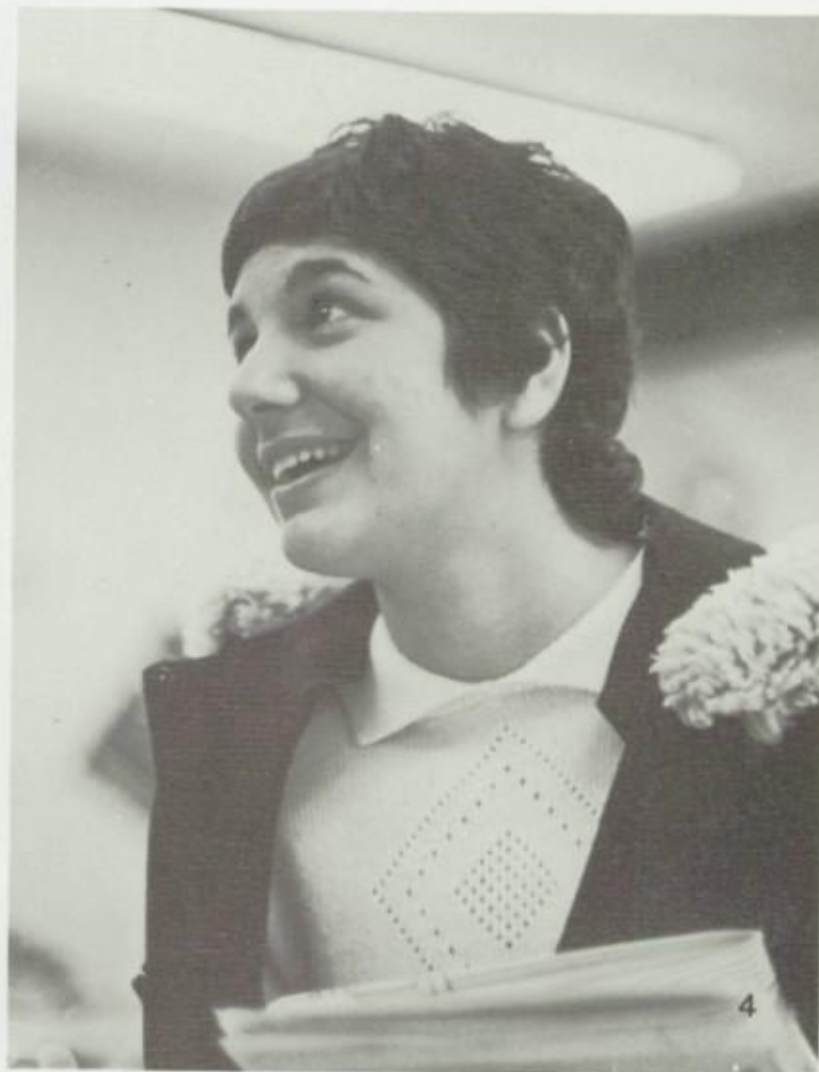

Now that the LEGEND is complete, we all can sit back and remember: when we were frantic when fifty-six pages were due on Friday and only four had been turned in on Monday, when the familiar phrases rang out "What? You didn't put any film in your camera?!" "No, I said black and white, not color!" "Where is Mark?" "Mark who?" "Who has a grease pencil?" "Call Albert and James." "Bush, HELP!" "You can't tell me we're \$2,000.00 in debt!"

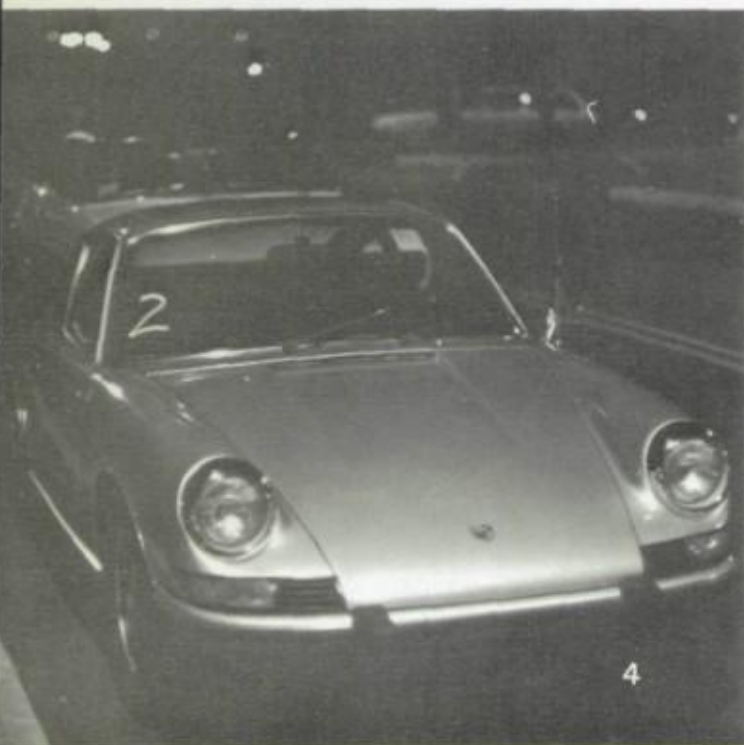

We had many hours of late night hard work, a lot of running in circles and yelling commands. Yet we still had time for celebration breakfasts and a lunch one afternoon. We had good and bad days, but we did complete the LEGEND.

We sincerely hope that the student body, especially the outgoing seniors, will enjoy looking back at their LEGEND 1975, recapturing happy memories. We hope that you will get out of the book some of the same good feelings that went into it.

Connie Kouri

At Your Service

Pictured above are many of the "people behind the scenes" who have worked so hard to serve their school. Key Club, sponsored by Kiwanis Club, sponsored a car rally and sold licorice as fund-raising projects. The "S" in S Club stands for service; among the many ways that S Club members served Canyon were ushering at banquets and concerts throughout the year and raising money for landscaping. Orphan Support members traveled to Tijuana during Winter

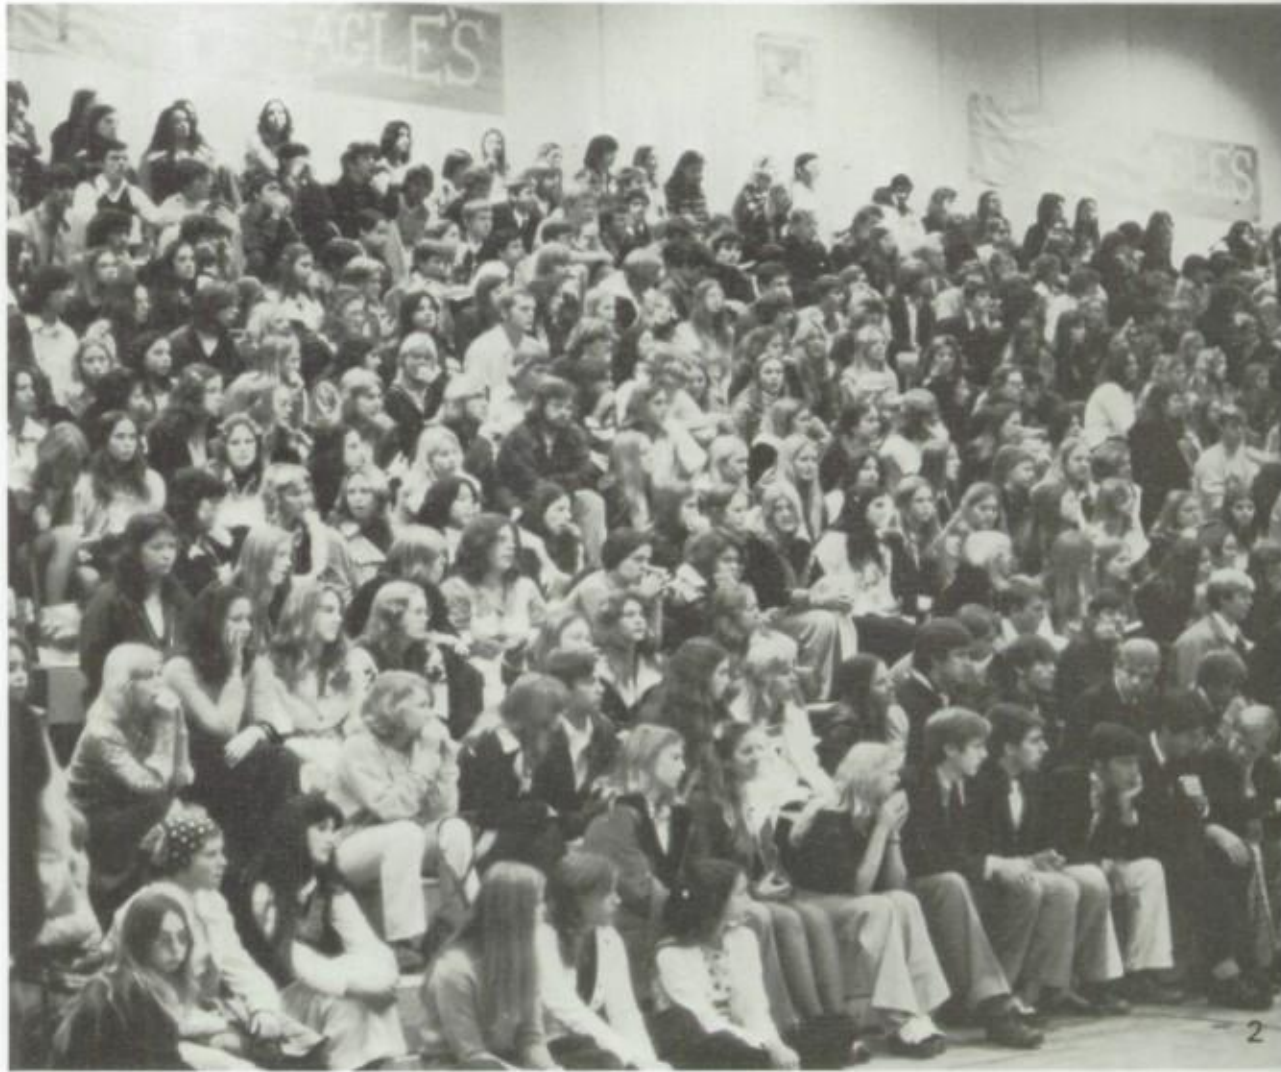

Recess to deliver gifts of clothing and food to needy children. The American Field Service organized International Week, when foreign exchange students raise money so that Canyon could continue participating in the A.F.S. program. This year Canyon hosted senior Mireille Andries from Belgium and welcomed back senior Becky Swanson from her year's stay in South Africa.

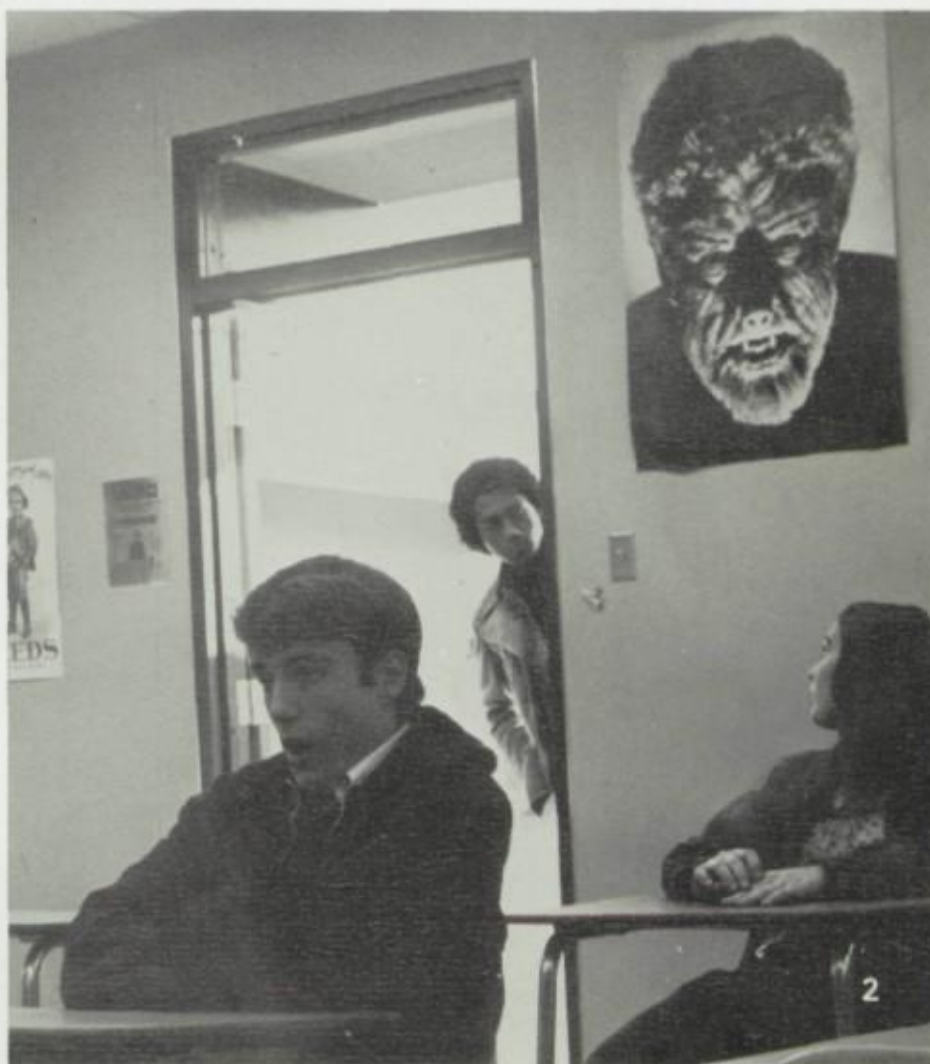

1. KEY CLUB-front row: B. Irwin, T. Forrester, J. Alfieri; middle row: M. Lewis, T. Brumley, R. Rich, A. Atadero, J. Delperdang, D. Snipes, Mr. Dunn; back row: A. Atadero, G. Lombino, J. Hunter, T. Clark, S. Ord, A. Torosian.

Caught in Action!

1. Sophomore Steve Torrico protests propaganda of "Russian" speaker while Mr. Schroeder comes to the rescue.
2. The stands were filled to maximum capacity for assembly.
3. Canyon students stand to sing Canyon's Alma Mater, ending another spirited pep rally.
4. Tara Webb is puzzled by her new assignment.

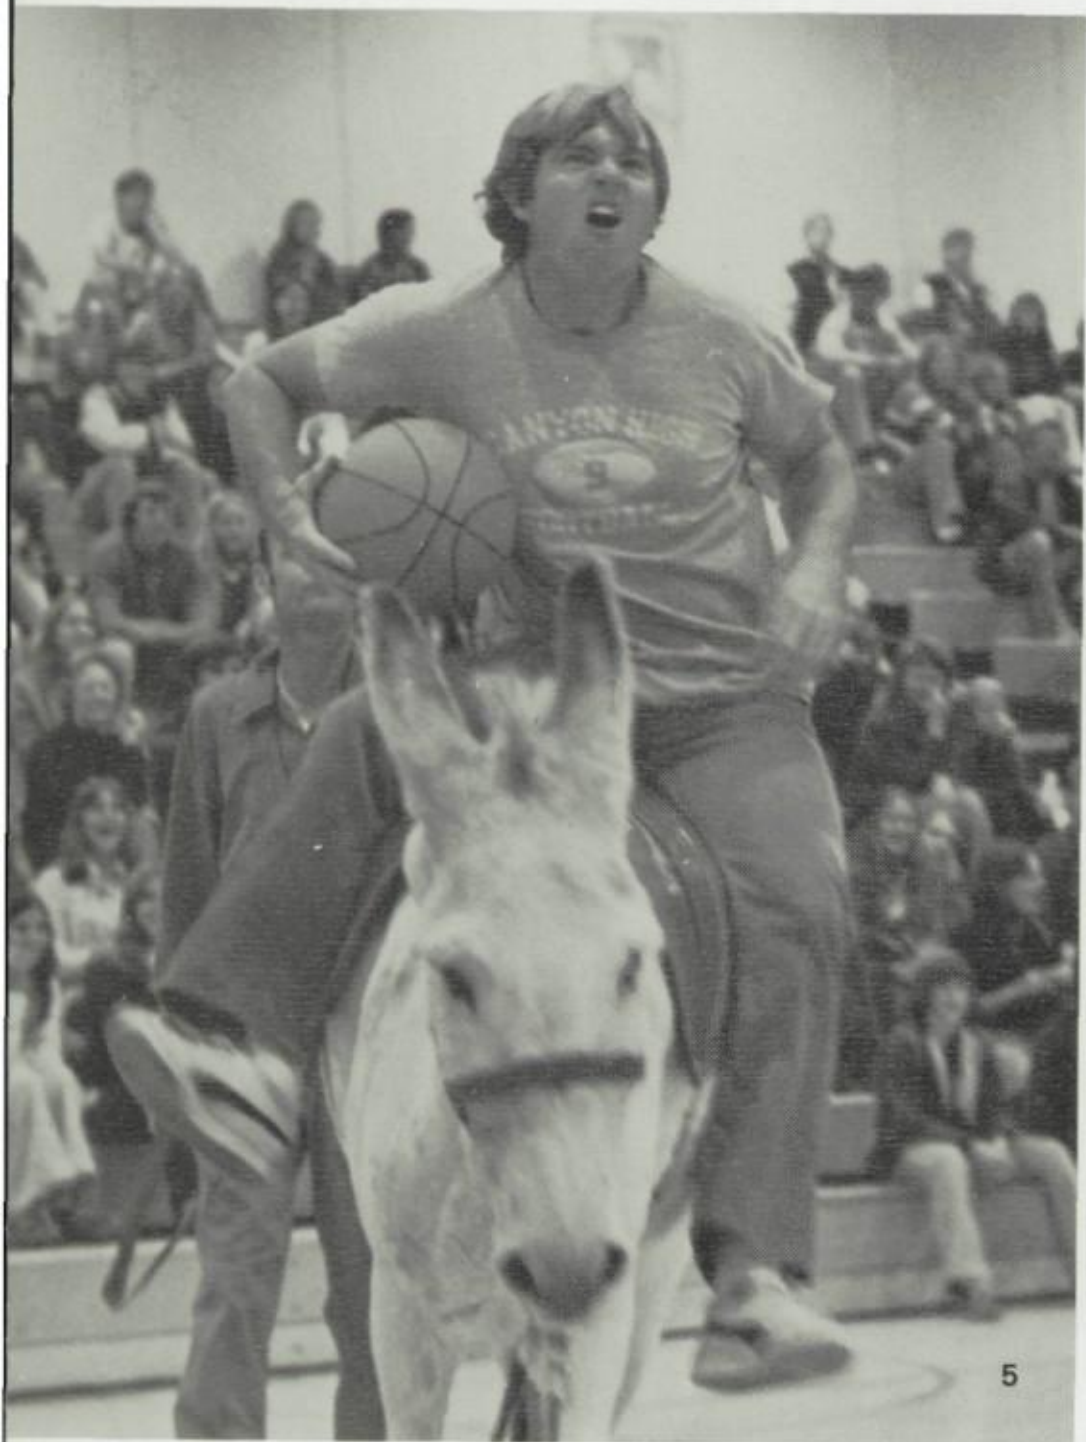

1. C.B. "What you see is what you get."
2. Kim Rhodes is frightened by monsters. (Wolfman and Brigham Gasu), although Dave Blake is totally unaware.
3. Girl enjoys the basketball game while Sue O'Hare and Marty Vos enjoy each other.
4. Canyon students make their way through construction rubble.

Stubborn Students Ride Mules to Victory

Hilarity reigned on the night of November 21, when C.S.F. sponsored Canyon's first Donkey Basketball game. Numerous injuries (none of them serious) and an exciting fourth quarter had the audience on their feet much of the time. The final score was Faculty-22, Students-24.

1. Jeff Dunn makes a quick pass to Paul Canova.
2. Mr. Dunbar finally receives the ball. The only problem now is how to get back on the donkey.
3. "Coach Wood, you're supposed to sit on the donkey instead of the donkey sitting on you."

4. David Holbert scores two points for the students.
5. Coach Pharris snarls a warning to all who get in his way.
6. Mrs. Bush gives a shout, "Whoa!"
7. Donkey waits patiently while Ms. Marr tries to climb on.

Cultural Affairs

The cultures of France, Germany, Spain, and Mexico were the subjects of interest to students in French Club, German Club, Spanish Club, and Nosotros ("Us") respectively. Foods, costumes and customs were studied during German Club's

Oktoberfest celebration and Nosotros' observance of Cinco de Mayo. French Club and Spanish Club both took field trips; the former group saw the film of St. Exupery's THE LITTLE PRINCE, and the latter visited Los Angeles' famed Olvera Street.

WILLKOMMEN!

Marathon Madness

The Nostalgia trend again reared its head in the form of Canyon's annual Dance Marathon. From 7:00 p.m. on November 22 to 7:00 p.m. the following day, thirty-four marathon dancers rocked and rolled, sometimes energetically, sometimes barely moving. Seventeen couples started out on the twenty-second; twenty-four hours later twelve couples were still dancing. Among those who danced the full twenty-four hours was Elaine Litner, whose comment after the occasion was, "I've got the music in me, around me, on me . . . I'm possessed, and it's gonna take more than an exorcist to remove my rockin' and rollin'!" - Elaine

Marathon dancers recruited pledges of financial support for each hour they danced. The dancers kept half of the money they brought in; the other half went to the senior class. The total net gain by the seniors was \$882.00.

1,2. Elaine Litner and Ken Jollif were one of the couples who danced the full twenty-four hours!

3. Debbie Dreyer and Mark Pernell begin to show signs of fatigue as three a.m. rolls around.

4. David Gomes puts out more energy than the rest of the dancers combined.

5. Marty Vos and Sue O'Hare rock out!

Learning On the Job

A greater number of Canyon students than ever before prepared themselves for the world of work by taking advantage of the Work Experience and R.O.P. programs. Work Experience provided on-the-job training for students and made them aware of both the responsibilities and the rewards of working. (Much of the success of this program is attributed to the loyalty and support of local businessmen.) The Regional Occupations Program provided students with the opportunity to take classes at various off-campus locations in such fields as landscaping, animal care, truck driving, and dental assisting.

Students who enrolled as assistants in the audio-visual department learned about the various media tools (videotape, audio tape and film projection were a few) and provided a much-needed service to the teachers at Canyon.

1. Many R.O.P. students learn creative merchandising at the "Lazy Owl" where all products are student-made.
2. AUDIO-VISUAL ASSISTANTS-under T.V.: Keith Abell, Phil Rubin; left to right: Dean Truax, Rick Bateman, Deanna Garlinghouse; on screen: Mr. Silvers, Media Specialist.
3. Lisa Warner observes Canyon Hills classroom as part of her Work Experience training to help teach the children.
4. Mr. Dean Andrea takes an "ice-cream break" from his job as Work Experience Coordinator.
5. Shelby Mercier and Renee Herald try to learn all they can about their R.O.P. class in Creative Merchandising.
6. R.O.P. Cosmetology teaches Cheryl Messick the skills of hair cutting and styling.

Euphoric Elegance: "Winter in Camelot"

On the evening of January 11, the Sir Lancelot Room of the Anaheim Sheraton Hotel was converted to a fairy-tale setting for Canyon's first formal dance of the year, "Winter in Camelot". Debbie Bowman and Don Van de Warker were first on the dance floor, followed by other couples who were inspired by the music of Sage. The highlight of the evening was the crowning of Queen Kim Peterson.

1. Camelot Court: Bob Eichinger, sophomore princesses Bridget Patin, Ed Contreras, junior princess Janice Gervais, Camelot Queen Kim Peterson, Matt Baumann, senior princess Mirielle Andries, Philip Strenger, senior princess Karen Cook, and Tom Lambrose.
 2. Students danced to the sounds of "Sage".
 3. Steve Keller, Mark Pernell, Cheryl Chessmore, and Dave Holbert

talk while the band takes a break.

4. Last year's king, Matt Baumann, dances with Queen Kim Peterson.

6. Darlene Indorf and Paul Reiber dance the night away.

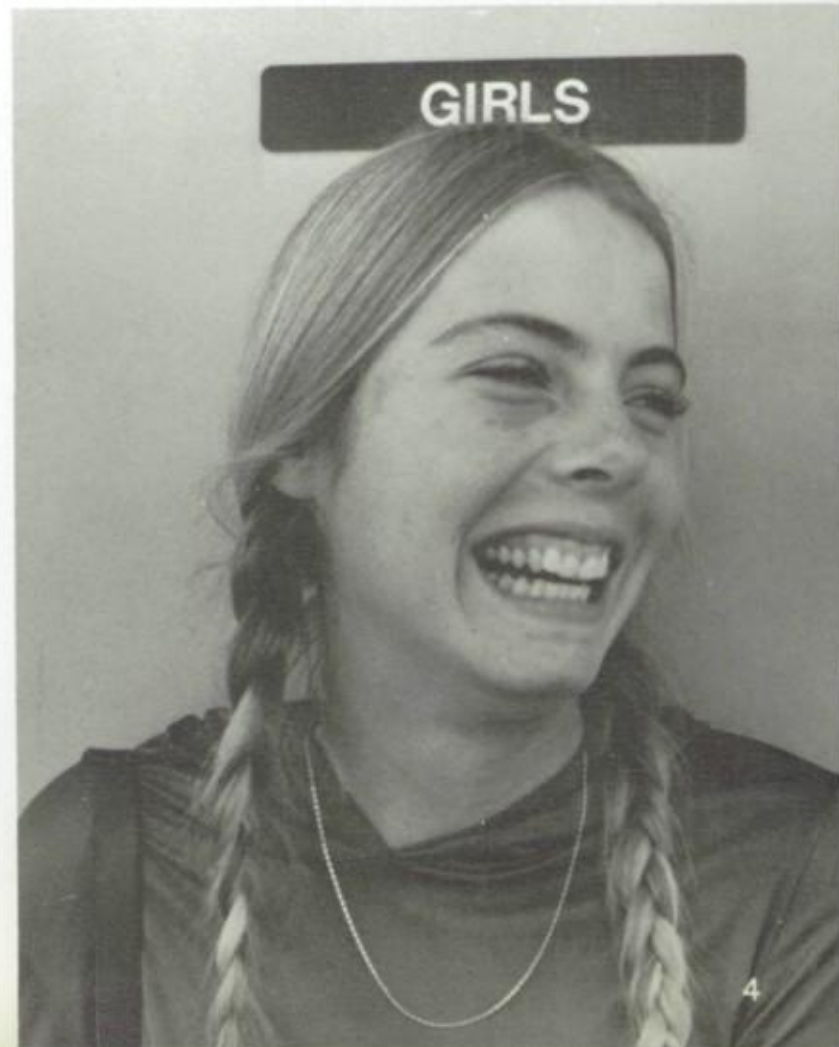

The girls at Canyon took over on many occasions this year, most noticeably on Girls' League activity days and on the night of Girl-Date-Boy.

The purpose of Girls' League is promote friendship and solidarity among all girls at Canyon. Activities produced this year included Date Dad (with a father-daughter talent contest), Hi Mom (a fashion show), and Fruit Day (when Comanches sent apples, bananas, prunes etc. to their favorite friends and teachers).

"Magical Mystery Tour" was the theme of this year's Girl-Date-Boy. Held on March 14 in the cafeteria, the dance featured the music of "Clovie Putney". The setting was made "magical" by hundreds of glittering lights and sparkling signs. The highlight of the evening was the crowning of "Mr. Irresistible", Chris Yorba.

Comanche Motocross: Burning Up the Berms

Reputedly the "fastest growing sport in America", motorcycle riding was popular among Canyon students. A new club was chartered this year: the Canyon Motocross Team, an enthusiastic group led by junior Debbie Lutz. The primary objective of the group was to achieve C.I.F. standing for the team; as

this page went to press in April, that goal had not been achieved. However, team members participated in Interschool Competition throughout the year, with sophomore Grant Comer earning the most points for the team.

photography was on an upswing. Mr. Leal's photography classes filled quickly and students clamored for time in the dark room. On the following

Volleyball Teams Give it their Best

The volleyball season was discouraging but profitable, as all teams learned the importance of playing as a unit rather than as six individuals.

The varsity team, led by co-captains Kim Parkay and Nancy Aleccia, featured Carol Sio's fine setting ability and Kim Parkay's energetic second and third efforts.

The junior varsity was lead by Sharon Pietrok and D'Nise Jenkins. D'Nise's "on target" forearm passes and Lisa Pirus' aggressive spiking helped win a victory over El Modena.

The G.A.A. feeder teams got off to a slow start, but showed steady improvement during the season.

1. Nancy Aleccia vs. Cheryl Holley in spiking drill before El Modena game.

Hockey Teams Rank High in League

The hockey feeder teams placed first in the league, a momentous achievement considering the fact that none of the sophomore team members had ever played hockey before. The varsity team, sparked by senior team members Kim Parkay and Sid Ruyle, placed second in the league. Outstanding J.V. players were Vicki Zanze and Kathy Moorehead, both excellent tacticians; Coaches Alice Huestis and Vicki Ritter cited the dedication and coherence of the team members as the source of their many victories.

1. Kim Parkay makes a successful scoop and avoids an Orange High player.
2. Sue Spivey jumps for joy as Canyon chalks up another score against Orange.
3. Kathy Moorehead gives a push pass to another forward line player.

Comanche Contortionists

Canyon's first gymnastics team got off to an enthusiastic start this spring. Under the direction of Coach Linda Smith, the girls concentrated on floor exercises, vaulting, balance beam, and uneven parallel bars. By the end of the season, all of the team members had mastered tricks which they had hardly dreamed of doing in February.

1. Assistant coaches Paula Oatley and Cheryl Bosheff execute effortless back walkovers.

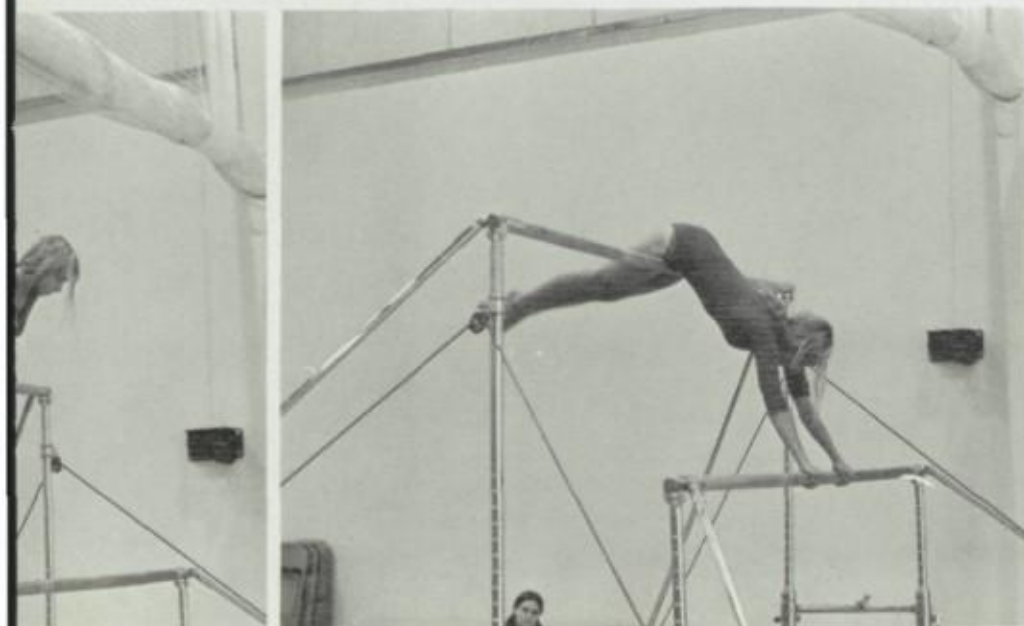

2. GYMNASTICS TEAM- front: Cathy Jones, Vicki Zanze, Laura Behanna, Marla Ruby, Coach Linda Smith, Denise Gruwell, Gwynne Murphy, Debbie Buwalda. back: Becky Sjaarda, Cyndi Chapman, Donna Allen, Paula Oatley, Marie Klun, Katie Miller, Julie Chaplinski.

4. Gwynne Murphy attempts a forward somersault on the balance beam; Vicki Zanze is ready to catch her if she fails.

5. Cathy Jones demonstrates her expertise on the balance beam.

6. Laura Behanna practices a routine on the uneven parallel bars.

GAA Cagers: Sharp-Shooters

Long hours of drill practice paid off for Coach Alice Huestis' varsity and junior varsity basketball teams. The girls continually played hard-fought games, with numerous victories by both teams. Coach Huestis cited varsity players Tama Bradley and Becky Carter for their outstanding performances; sharp-shooter Nel Flanagan and leading rebounder Lisa Pirus were an asset to the JV team. According to Coach Vicki Ritter, all the feeder teams did remarkably well.

1. J.V. BASKETBALL TEAM-front: Dana Swanson, Sharon Pietrok, Sandi Yamagata; back: Michelle Viglione, Hazel Geehring, Captain Nell Flanagan, Lisa Pirus, Staci Arnold.

7. Karen Cook tries to block Liz Bottomley's overhead pass.

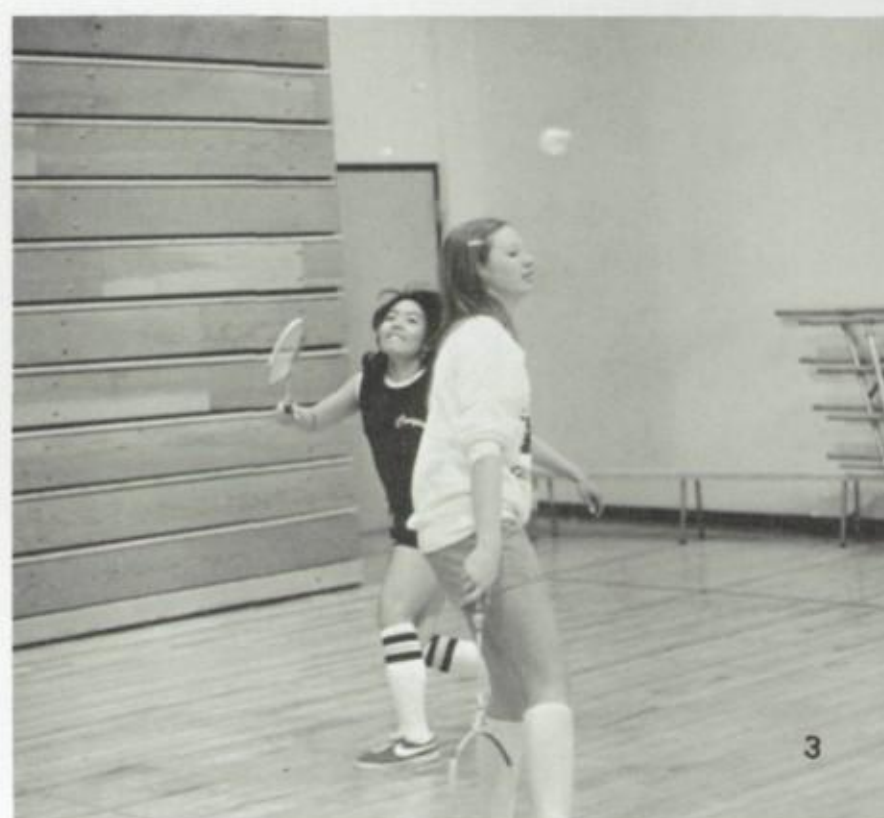

GAA Softball: Small But Strong

The G.A.A. softball season was barely under way as the **LEGEND** went to press. The team had many enthusiastic sophomore members; that fact, coupled with the team's bright new uniforms, foreshadowed a brilliant season.

1. Debbie Carter sarms up her pitching arm with a few practice pitches.
2. Val Melendez loosens up before practice.
3. Sharon Pietrok hits one into the outfield.

Another Canyon First: GAA Badminton

Canyon's first badminton team opened its season in April, fielding eight doubles teams and eight singles teams. Sporting white tennis-style dresses (which the girls made themselves), the players exhibited astounding agility, strength and endurance on the courts. Outstanding player Mona Benson also served as the team's manager.

2. Nancy Salman shows her grace with badminton raquet in hand.
3. Sandi Yamagata and Mona Benson display their team work in a dual meet.

The activities of the one hundred G.A.A. members were as varied as they were numerous. The girls sold candy to raise money for their equipment and uniforms, raising over one thousand dollars. They sponsored a Sadie Hawkins dance at Knott's Berry Farm in October and a Mother-Daughter dessert in April. At Christmas time, they visited the students at Canyon Hills school, bringing them cards and holiday wishes. At the end of the school year, the G.A.A. awards banquet was held where deserving female athletes were honored and a two hundred dollar scholarship was awarded to the outstanding senior G.A.A. member.

Varsity Visits C.I.F.

For the first time, Canyon's Varsity football team had seniors, and it even had two sophomore members: Mark Cassara (a leading rusher in the Orange League) and John Harrington. As a result, the team improved vastly over the preceding year. Citing an incredible amount of hard work and pride by all team members the key, Coach Wood proudly produced a team which placed third in the league, qualifying for C.I.F. play-offs. Outstanding contributions were made by Best Defensive Player and Most Valuable Player Todd Talbert and Best Offensive Player Mark Cassara. Next year's goal: to win the league title.

Sophomores Eat Up the Yards

The sophomore team forecasts big years ahead for Canyon football. Undefeated for their first five games, the sophomores out-gained their opposition in both total offense and first downs for seven out of nine games. At the end of the season, they led the Orange League in total yards gained and placed third in the league. The highlight of the season was an exciting victory over the outstanding Dana Hills team, according to Coach Pharris, whose coaching philosophy was, "First, enjoy football; second, win the league title."

Canyon's cross country team opened their season with a burst of spirit: four victories in four meets. Wrestlers Hold Their Own

The varsity wrestling team placed fifth in its league in the first year in varsity competition. Throughout the season Canyon High was well represented by its wrestling team at Orange County tournaments, placing fourth at the Brea Invitational and sixth out of twenty-one schools at the La Habra Holiday Tournament. At the league tournament, the team did well; Don Lockridge placed in the heavyweight division as League Champion and Jerry Mora placed second. Both wrestlers qualified to go to the CIF preliminaries in which Jerry placed seventh. Third place finishers in League were Chris Collin (115 pounds), with upset wins over two wrestlers that had previously beaten him; Chris Yorba (148 pounds), pinning his El Dorado opponent who had beaten him previously in dual meet competition; and Steve Spillman (178 pounds).

Overall the team record was six wins, ten losses against tough competition. Next year's team will feature nine returning varsity wrestlers and will be shooting for the Orange League Championship.

Cagers Capture Mid-League Titles

At the opening of the basketball season, this year's varsity cagers faced ominous odds: they found themselves not only in one of the toughest leagues of the AA division, but also matched up with the returning C.I.F. AA champs. Although their season record was not outstanding, the Comanches earned the nickname "The Spoiler", due to their many upset victories in the Orange League. Coach Schermerhorn cited the experience and discipline gained by team members this season as the main reasons that he anticipates a CIF-rated team next year.

Like the sophomore varsity team, the sophomore J.V.'s had many setbacks this year but won a total of 9 games by the end of the season. Coach Ryder was pleased with the enthusiasm and energy put out by his tenth graders, many of whom he expected to have "two more years of fine basketball before they leave Canyon".

Coaches Norm Berg and Mike Victorson had nothing but praise for their opposition this year. The golf season was a discouraging one, although the coaches felt that individual players improved their strokes significantly. Thus, hopes are high for the 1976 season.

Comanche Sluggers Try for CIF Bid

Frustrations abounded at the outset of the varsity baseball season. Rain, lack of facilities, numerous "almost wins", and lapses in scoring and defense left little hope that the team would match the League Champion status of the 1974 team. Nonetheless, outstanding efforts were made by many players. Senior Dennis Ponzio headed the pitching staff and had several league victories under his belt as this report went to press. Leading hitters were Mark Lamph and Bob Quiroz. Mike Uyematsu had outstanding scoring, walking, and base-stealing records.

1. Brian Bennett reaches for a single.
2. Playing against Valencia, Matt Baumann takes first base.
3. Ed Contreras throws his weight into another perfect pitch.
4. Steve Kastner follows through on a line drive.

Coach Chuck Bittel had a young junior varsity baseball team to work with this year. As the LEGEND went to press, the team had an equal number of wins and losses in league play. Spikers Seek League Title

Enthusiasm was the hallmark of this year's track team, according to head coach Don Pycior. Because of the many outstanding returning lettermen from the previous year, Canyon had several spikers who qualified for the Orange League finals. Although team balance was not achieved (we were weak in several events), individual marks improved vastly.

1. Randy Lewis arches high over the cross bar as he wins in the high jump competition.
2. Bill Schluter and Steve Kovatch holds the lead in a close race against Dana Hills.

7. Rick Dixon bites his tongue as he knocks off cross bar in pole vault competition.

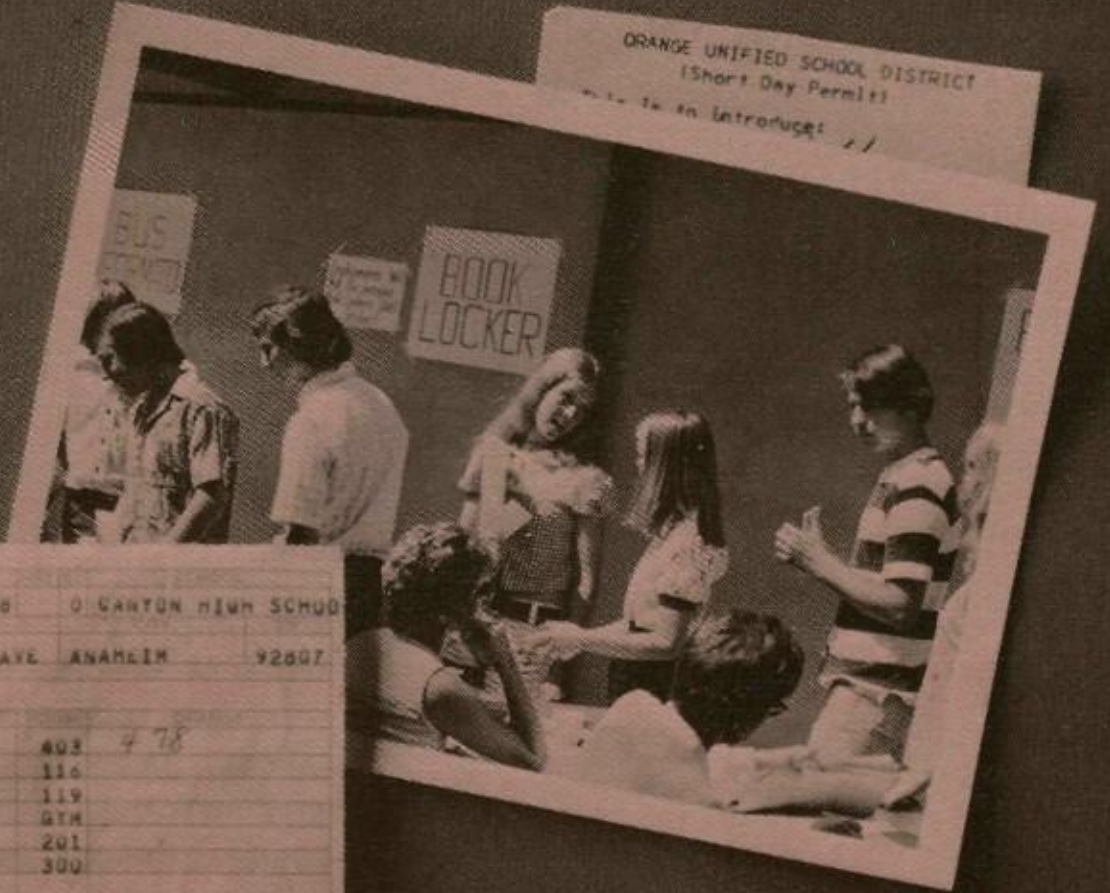

Volleyball Teams Make their Debut

Another Canyon first was the formation of the CIF volleyball teams. Both the varsity and junior varsity teams were members of the all 4-A Century Grove League which included the notoriously adept "beach schools"; thus, competition was very stiff. Nevertheless, Coach Dean Andrea was pleased to note that each time his teams played, they played more strongly than before. The coach conceded that the strength of the teams at mid-April surpassed his pre-season expectations. Led by Captain Jeff Katz, the volleyball teams built a strong foundation for future Canyon teams.

1. JUNIOR VARSITY VOLLEYBALL-front row: Frank Veltri, Bob Bettey, Tuli Ava, Bob Kamei, Dave Hovater; back row: lafeta Gasu, Don Poer, Brigham Gasu, Richard Rippee.
2. Jeff Katz attempts to spike through Riverside Poly blockers.

Board of Directors

The primary concern of the Board of Education was the 1975-76 budget. In addition, they listened to proposals concerning mid-term graduation, graduation requirements, year-around schools, and curriculum innovations. Board members sacrificed many hours of their time in an effort to upgrade education in the Orange Unified Schools.

Executives

A Message from the Chief Executive

Dear Students:

As we look back over our first year on the new campus, it is my hope that your memories will be such that you will often invoke them in years to come and find them memorable and pleasing. Perhaps you will remember that it took the dedication and hard work of students, staff and community blended together to make this a unique educational experience.

I also hope that this year's LEGEND, and last year's too, will find a place upon your shelves so that you may read, reminisce and recall happy years at Canyon High School. Best wishes to each and every one.

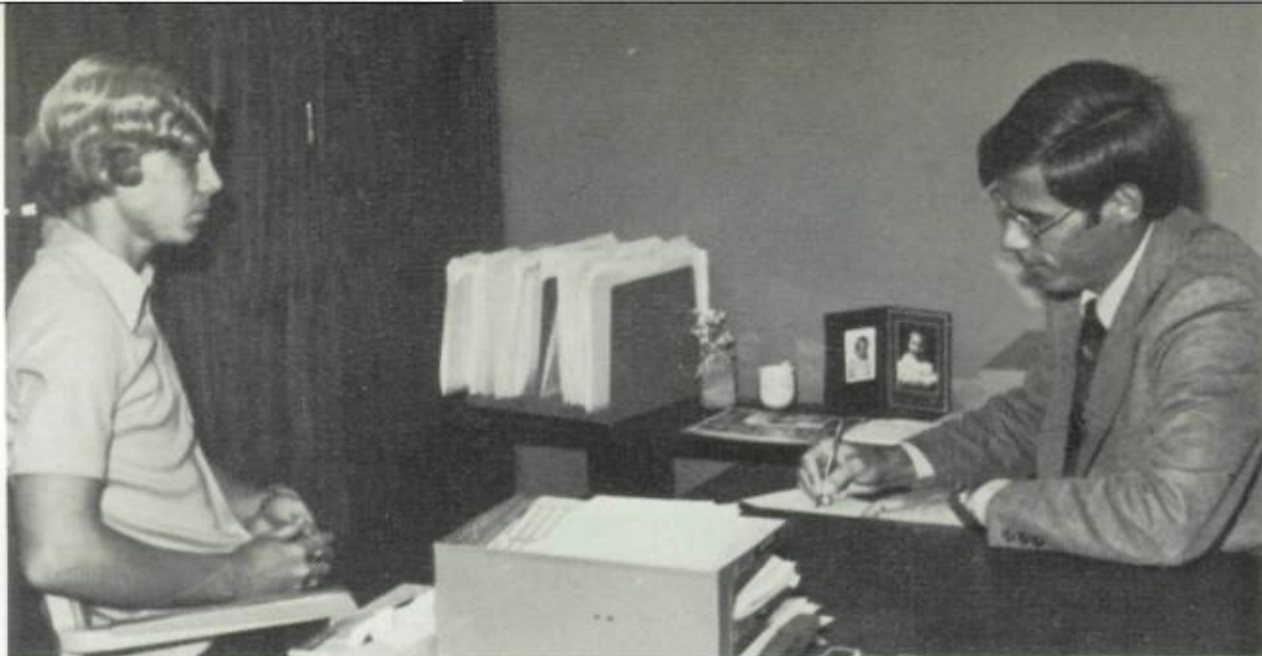

Sincerely,

Louis Joseph

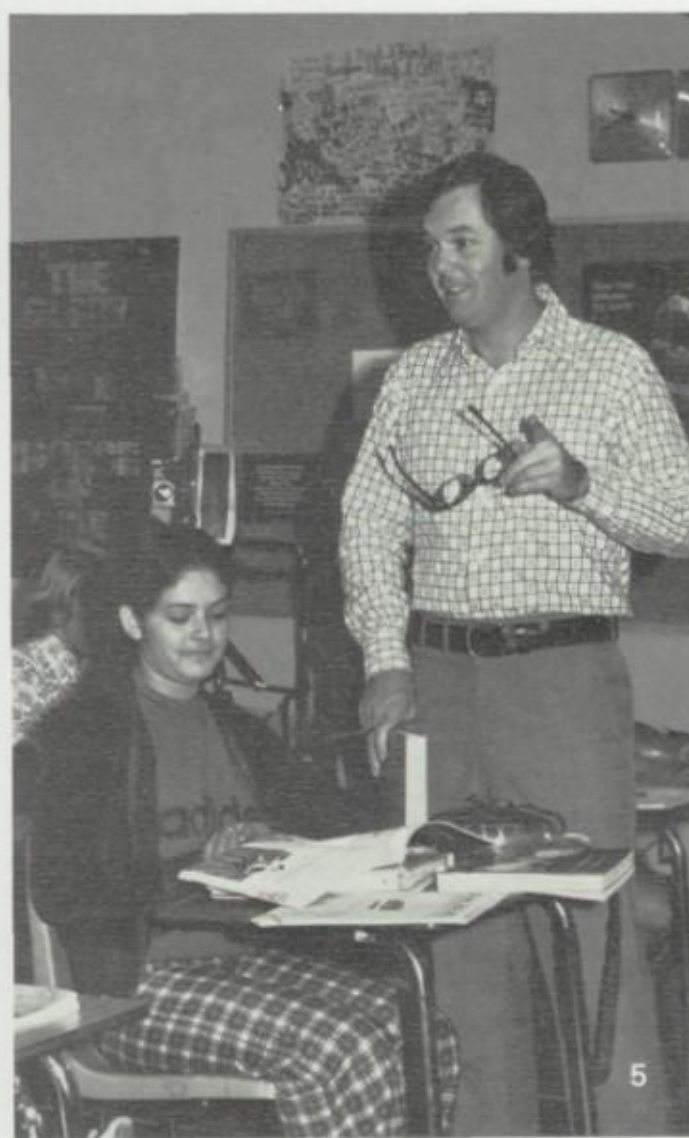

1. Principal LOUIE JOSEPH and Assistant Principal Richard Kirwan survey with pride Canyon's new campus.
 2,3. Mr. Joseph was always ready with an encouraging and helpful word for teachers, whether at faculty meetings or in his office.
 4. RICHARD KIRWAN was Canyon's assistant principal in charge of curriculum. He observed and evaluated curriculum innovations such as the new Sophomore English and guitar courses. Here he is

shown discussing scheduling problems with counselor Wilma Wittman.
 5. Assistant Principal TOM YIM supervised all pupil personnel services, such as counseling, attendance, health services, and Work Experience-R.O.P.
 6. Mr. Yim and Mr. Kirwan confer on campus.

Junior Executives

1. Dean of students BILL SCHROEDER is able to solve a student's problem with a smile.
2. In charge of student government and all Canyon's activities, CAROLYN MARR spent a hectic but happy year as Director of Student Activities.
3. ARLEEN DUNN was Canyon's first full-time attendance coordinator; she kept busy by keeping track of the whereabouts of every Canyon student.

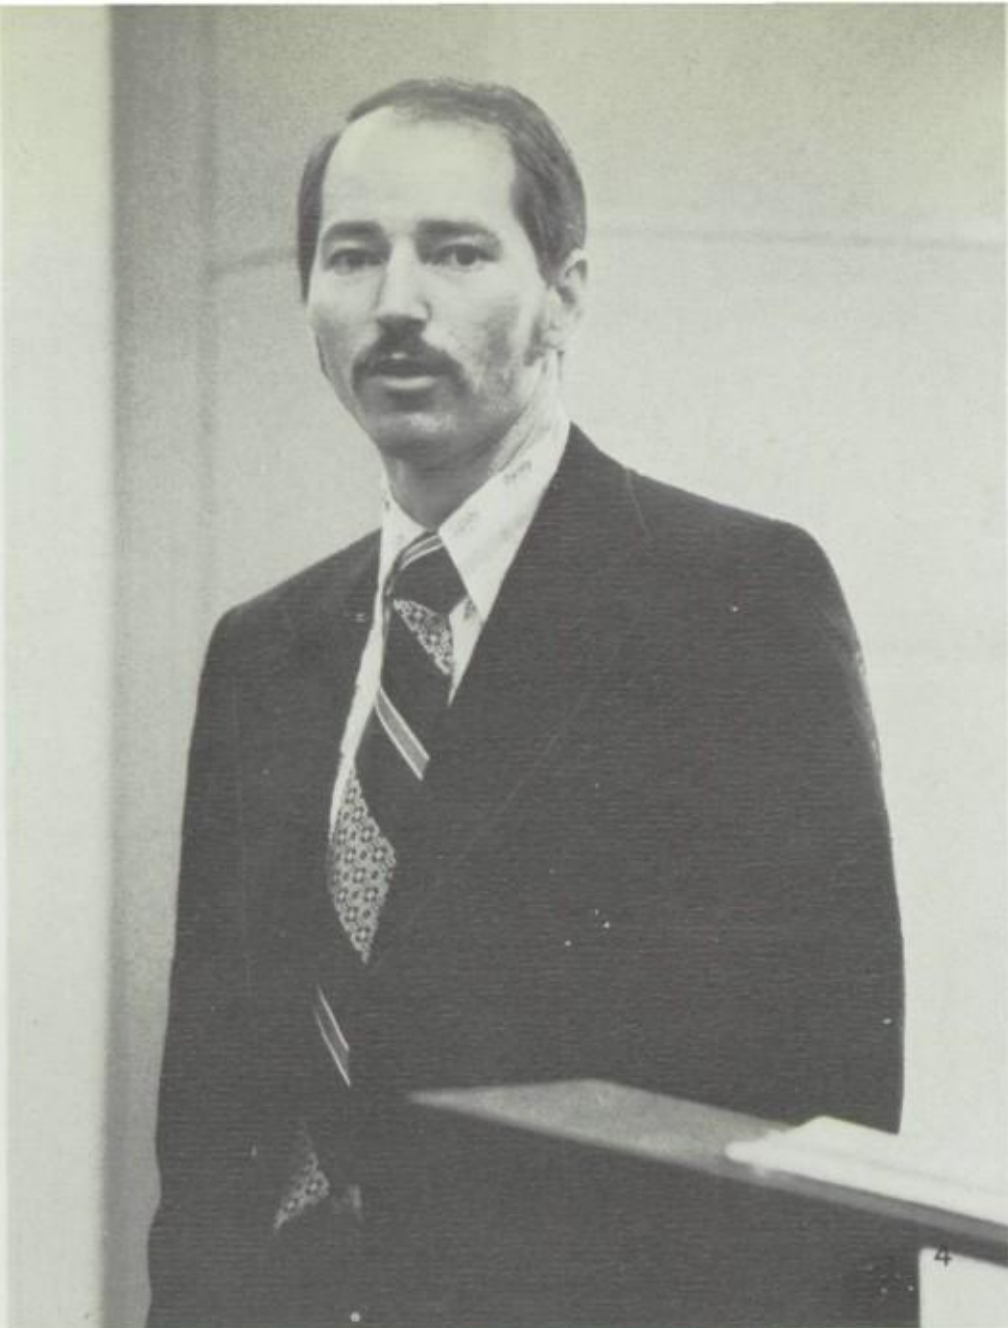

Canyon's growing Work Experience and Regional Occupations programs reflected an increased demand for vocational education. 4. DEAN ANDREA and 5. KENT MOORE placed students in a wide variety of jobs. In addition to their jobs as Work Experience coordinators, both men taught classes in the social studies department.

6. TRISH AMES coordinated the Regional Occupations Program in addition to teaching two classes in Home Economics department.

Advisors

1. Librarian ENID TAYLOR was always available to help students locate books in Canyon's attractive new library.
2. Nurse JEAN KESTERSON checked numerous sore throats throughout the winter months.
3. The driver training teachers were only at Canyon during part of the day. They are TONY BIAGIOTTI, JACK DENNEN, DICK STOCK, BILL BRASHEARS and JACK SMALLEY.
4. LLOYD ROBINETTE was the newest member of Canyon's counseling staff.
5. WILMA WITTMAN has a cheerful smile for counselee Bob Minor.
6. AL PFEIFFER could usually be found at his desk in COG. Here he discusses a class change with a student and teacher.

Secretarial Staff

On these two pages and the following page are the faces of the secretaries, who made days at Canyon run more smoothly for administrators, faculty members, and students. They are the "faces behind the scene" whom Canyon couldn't do without.

1. MARJORIE KELLEY looks through her seemingly endless supply of purchase orders. As secretary to the principal, she did most of the paper work which brought Canyon High into existence.
2. Mr. Kirwan's secretary, LOU WILSON, helps students answer curriculum-related questions.
3. SALLY SHULTZ counts a portion of the many thousands of dollars she handled as Canyon's bookkeeper.
4. JEAN LEYRER makes another appointment for her boss, Assistant Principal Tom Yim.
5. LUCILE MANELL "talks" to her computer, which fed her much of the information she needed as Canyon's registrar.
6. Attendance secretary GINNY MASON spent many hours telephoning parents to express her concern for absent students.
7. ROSEMARY MUMFORD types ditto after ditto for the Social Studies department.

1. JACKIE LESTER took over in the nurse's office on Tuesdays, Thursdays, and Fridays.

2. ELAINE FOURNIER works for the Regional Occupations Program and Work Experience coordinators.

3. RUTH ZIEGLER can be found in the COG lab where she makes

National News

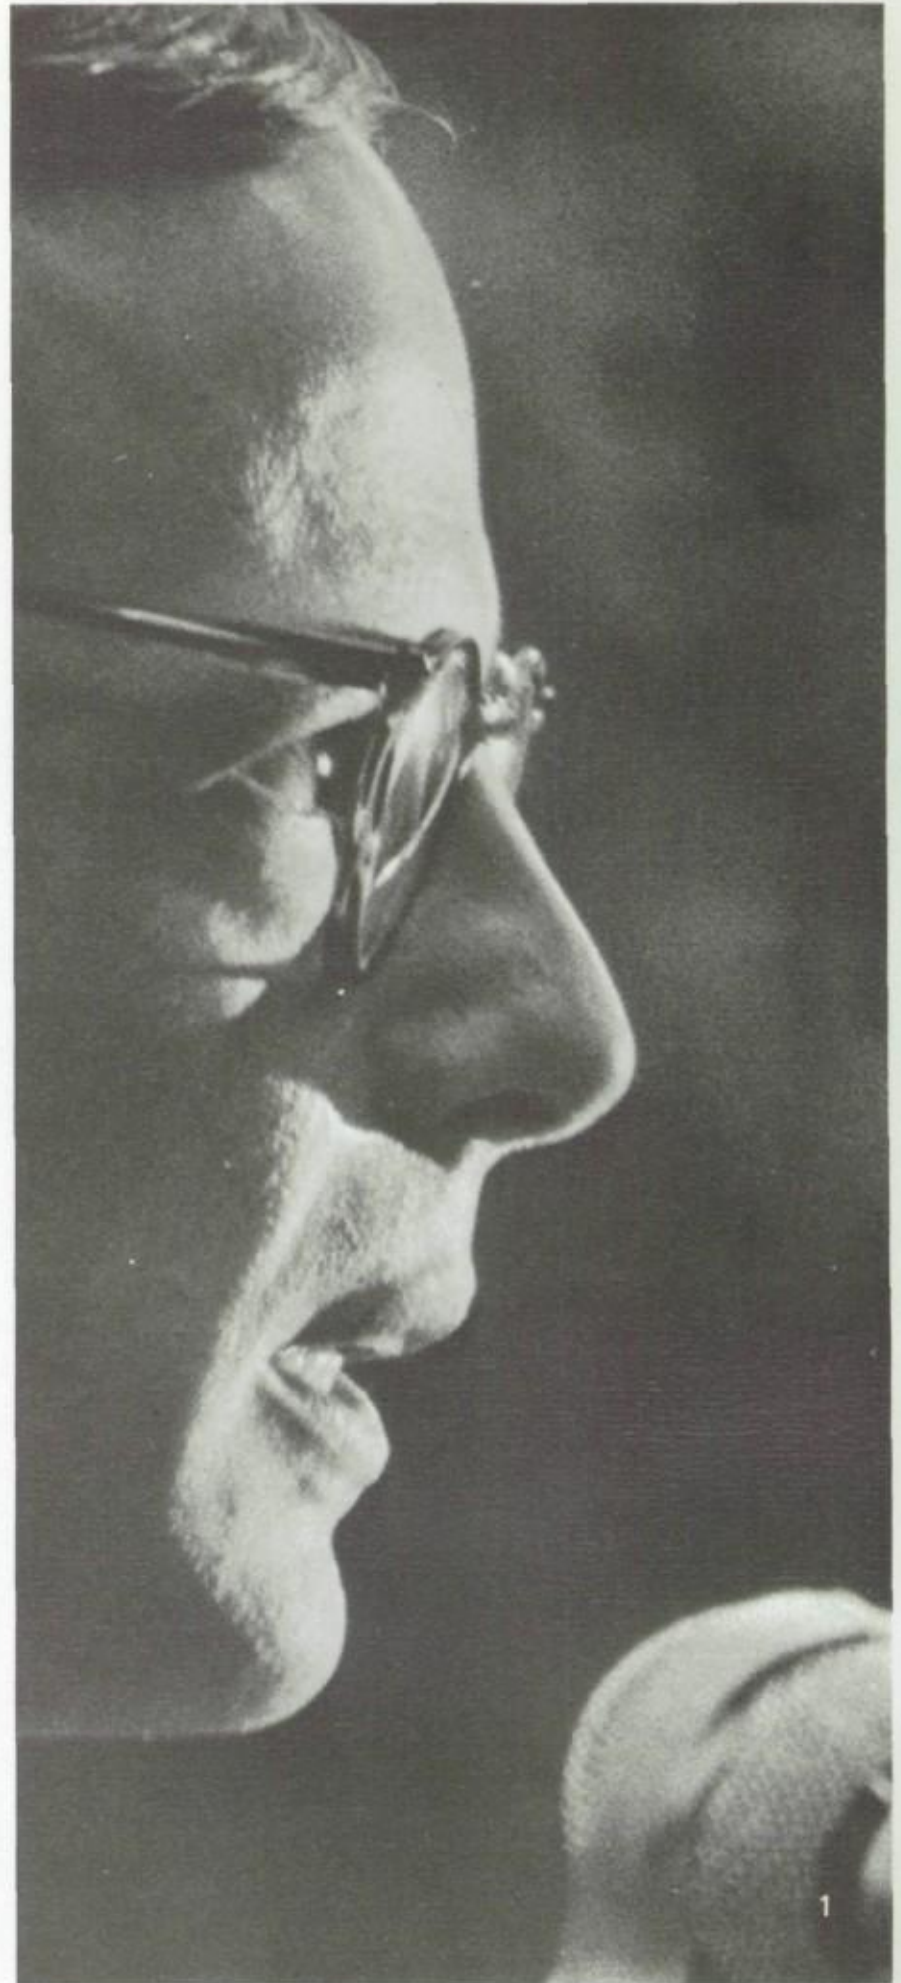

As we left school for vacation last June, little did we know what unprecedented political turmoil the summer would hold for us. In the continuing saga of the Watergate scandal, which we had lived with for over a year, the Supreme Court demanded that Richard Nixon release subpoenaed tape recordings, among which was the infamous "smoking gun" tape. With his knowledge of the Watergate coverup exposed, President Nixon faced the choice of resigning or facing impeachment proceedings. On August 8, 1974, Nixon became the first man ever to resign the office of President of the United States. When school opened in September, an aura of tenuous optimism enveloped most Canyon students; with Gerald Ford as our President, we were making a new beginning. But Watergate news continued to crop up throughout the year: on September 8, Ford granted a full pardon for all crimes committed by Nixon during his Presidency. On New Year's Day, John Erlichman, H.R. Haldeman and John Mitchell were found guilty of obstructing justice; they were sentenced by Judge John Sirica the following month.

The optimism of the Ford era dimmed as the inflation-recession syndrome worsened. Unemployment reached levels unsurpassed since the Great Depression, and fuel shortages were a source of constant concern. The nation was without a Vice-President for more than three months until Congress finally confirmed the appointment of Nelson Rockefeller to that position.

1974 was a general election year. California switched from a conservative Republican administration to a youthful Democratic one, headed by newly-elected Governor Edmund G. Brown, Jr.

The events in the world outside America were largely unchanged from the preceding year. The conflicts in Asia, the Middle East and the Northern Ireland raged on, with occasional cease-fires in the latter two; hopes for peace ebbed and flowed, and we wondered whether in our lifetime we would be permitted to see a world without any war.

1. John Dean, whose evidence helped reveal the extent of the Watergate cover-up, spoke to students at Santa Ana College.
2. Gerald Ford entered the presidency in August of 1974. He is seen here with his daughter, Susan.
3. This poster in Canyon's Community Lab tells the story of the Nixon pardon.
4. Sugar prices increased radically during the year; a shortage of the product caused store managers to ration it.
5. Newly-elected Governor "Jerry" Brown faced many of the same crises as did his predecessor, Ronald Reagan.

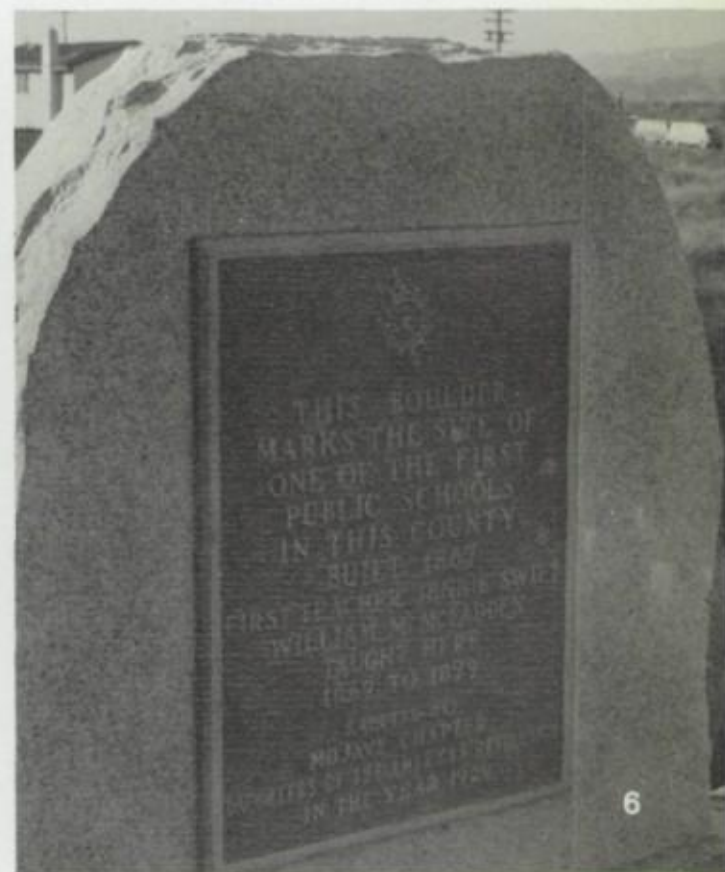

"Not a Bad Idea . . ."

The Canyon Community

The community surrounding Canyon High School continued its trend toward urbanization. Hills were terraced and fields disappeared to make way for new housing tracts, condominiums and shopping areas. An average of five new students registered each week at Canyon High School, and the school district predicted that Canyon would reach its maximum enrollment of 1850 students by the 1977-1978 school year.

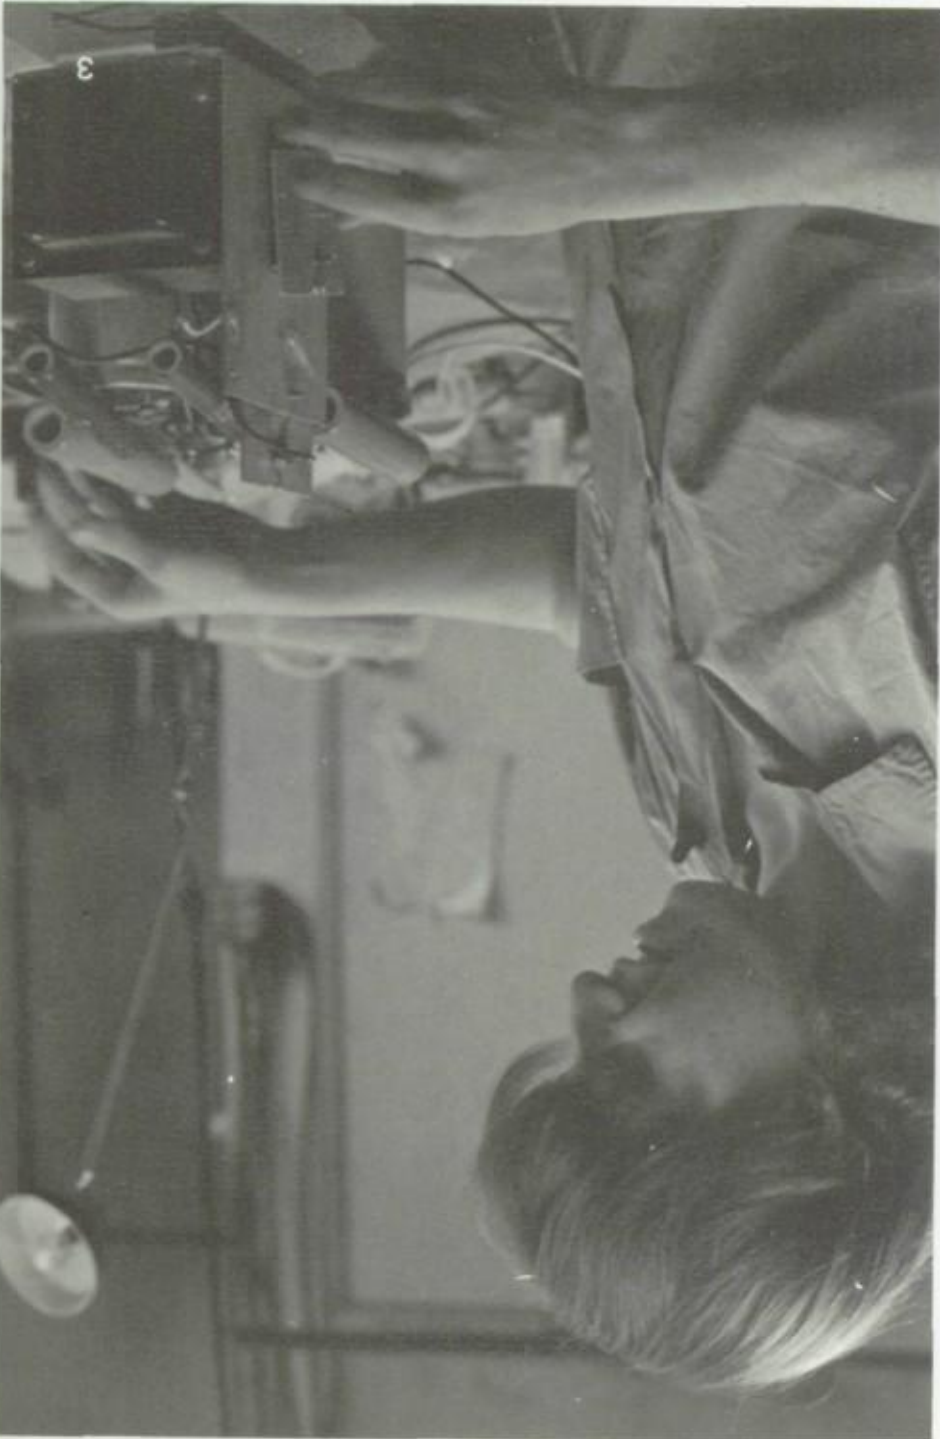

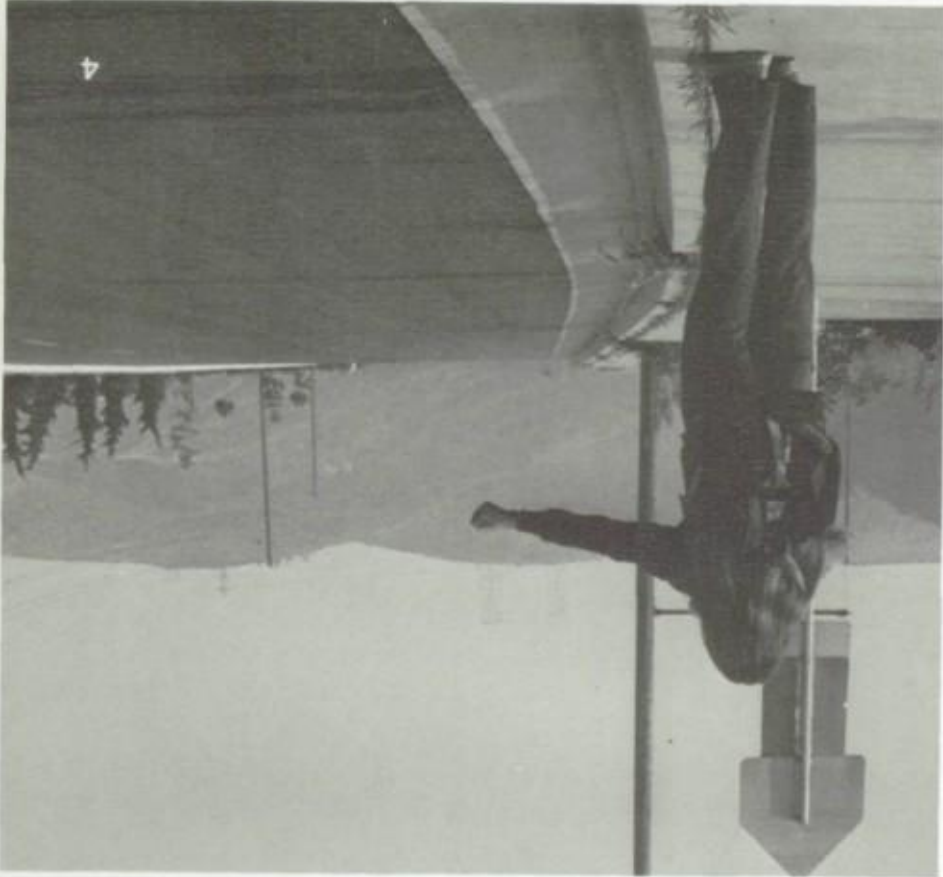

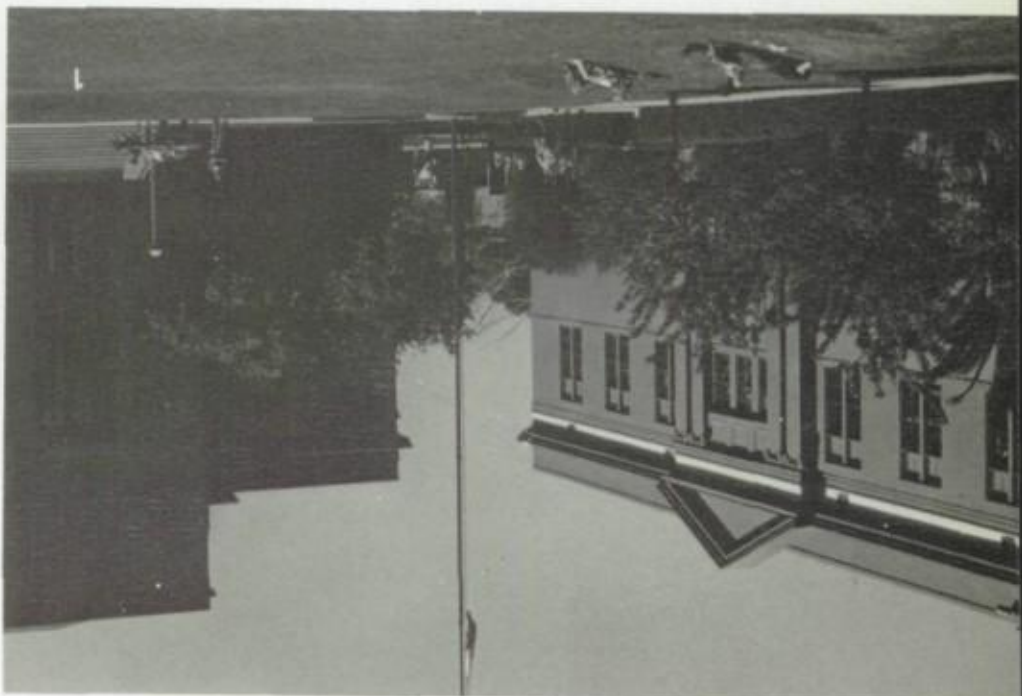

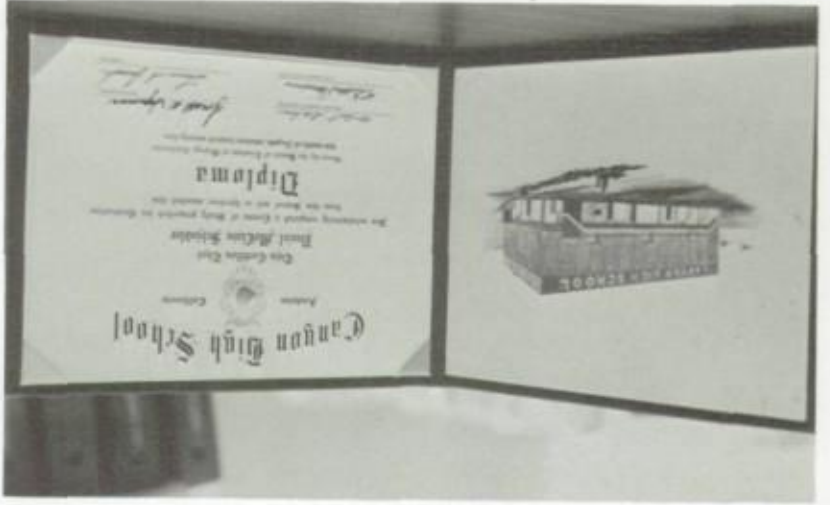

A financial crisis struck the Orange Unified School District in January when discovery of a budget error necessitated drastic cutbacks at all schools. As a result, ceramics teacher Ross Burkhart and history teacher Ray Dunn left Canyon at semester break; both were sorely missed by the students. However, good news was quick to follow: on March 4, voters passed a tax revenue increase which will provide an additional \$125 per student for O.U.S.D. Canyon Principal Louie Joseph placed the credit for the successful election on the many parents, teachers and community members who volunteered their time to work for the "Yes for Schools" campaign.

1,2,3. The hills made way for the series of new housing tracts, condominiums, and billboards advertising these projects.

4. Ms. Rose Grohs was a victim (though a happy one) of the O.U.S.D. financial crisis. When her job as roving elementary P.E. teacher was eliminated, she was sent to Canyon at semester to replace Ross Burkhart in the art department.

5. Concerned parents rushed to the polls in March to vote on the school bond issue.

6. The old and the new combined in the scenery surrounding C.H.S.

The World Awaits the Class of 1975

On June twelfth at four o'clock, commencement ceremonies for the first graduating class of Canyon High School will take place. Where will the 326 graduates go from there? Over half expect to continue their education at a college or trade school. Thirty per cent will plunge immediately into the working world, where many have already procured jobs. A few have opted to combine a career with marriage, although the LEGEND staff found no one who planned marriage as their immediate and only career. A handful of students will pack their bags and tour the globe before settling down to make a living. And of course there were numerous students who answered the "What next?" query with a frank, "I don't know."

1. Colleges across the country will be the new homes of many Canyon seniors, come September. This typical campus scene is at Chapman College, in Orange.
2. Senior Cathy Jones will play beach bum for three months before entering the University of California at Irvine.
3. Mike Yarnell, a January graduate, set up his own business which produced small electrical components.
4. Many Canyon graduates will set forth to see the world; this is an inexpensive way to travel.
5. Senior Sherry McLain was married shortly after leaving Canyon in January.

In Memory of Bill Gleitsmann

Mr. Bill Gleitsmann's career was an unusual one inasmuch as he came to Villa Park High School several years ago after retiring from twenty-five years of service as a fireman in New York State. Although it is not often a person has two careers in his lifetime, Mr. Gleitsmann assumed his new duties with the Orange Unified School District, coming to Canyon this fall, with a great deal of enthusiasm, interest and dedication. Our country is in need of more people like Mr. Gleitsmann who took pride in his work, was absolutely reliable, and who treated students, faculty and staff members with politeness and consideration; he was always willing to serve in any way he could.

Mr. Gleitsmann will be missed at Canyon High School, but he will not be forgotten.
